Had letter fully explained the work on wh. the Rom were to be employed

(a) the Tenancy Bill & the Malabar Bill

(b) the codification of the Revenue laws of the Dcs.

It was estimated that two years wd be occupied on the above duty. This is a very liberal estimate

As to the pay proposed it was simply said that R 3125, the pay of the Rev Secy to Govt, was not considered too large. But no reasons were given for considering that the usual allowances of an officer on Special duty were insufficient. This is the usual rule. But the G. of I are also willing to take into consideration the pay of the officers of about the same standing. The officers

for the moment, for I suppose we could,
his friends desire to consult his own interests
before we take further action, could we
keep him here after his appointment as
Member to Council of Governor had
been gazetted? I suppose not. The
Govt. of India would not like it
if this was the reason for his
resigning. I suppose he could
write to the Secretary of State
to the effect that he found he
could not retain his present post
& accept that to which he was
appointed by the Secretary of State
for the Govt of India, but I
suppose that would be a matter
to be settled between the Govt
of India & the Secretary of State.

To the Hon Sir H Bliss (1)
H.E. the Governor (2)

Sir, I have the honour to request that we should make a strenuous effort to retain Mr. Ross attached to the Board of Revenue & the Court of Wards.

As to replacing Mr. R. I am inclined to think that we could do so. I suggested it to Mr. Baines the other day & he quickly replied that you did not intend to take such a proceeding.

I have the honour to be Sir Your obedient servant

Mr Ross's Pay will be Rs. 3,125 a month.

Mr Ross's Pay will be Rs. 3,125 a month. This only includes his Pay as Secretary to Board of Revenue. There has been great delay in receiving their papers.

immediately above Mr Ross is Mr Benson but his pay as a H. Ch. Judge (375) is special & is the reward of having qualified as a judicial officer — a qualification not ordinarily open to officers who take the executive line. Above him comes, as it happens, myself, whose pay of office is R 2500, then comes Mr Stokes who is however 2 years senior to Mr Ross.

SIR,

With reference to the Proceedings of Government Mis. Sir,

Adverting to the correspondence ending with your telegram dated 2 ultimo sanctioning the retention of Mr Ross on special duty till September next, I am directed to state for the information of the H.E. Revenue to continue the special work on which Mr Ross was employed. It is proposed that the Honble Mr Crole should, under the provisions of Act. 98 of the C.S.R, draw the pay and travelling allowances of his permanent appointment plus a deputation allowance of Rs 10 per diem. I am to request that H.E. the G.G. in Council may be pleased to sanction the above arrangement till the 30th September next. During this period the Honble Mr Crole will be employed mainly, if not wholly in finding the Madras Tenancy Bill through the Legislative Council. That this work will have terminated by the 30th September next is improbable; but, before making any proposal for a further extension of the term of Special duty on this ground or in order to provide for the other matters referred to in
