Resolution.

With reference to Official Memorandum N^o. 41 dated the 7th instant, the Board regrets that the orders in Government Order N^o. 658 dated 30th July 1897 to bring forward the proposals made in its Proceedings N^o. 249 dated 23rd June 1897 for changes in the management of the Abkari Revenue of the Godavari District for approval, not later than the 1st April this year, were overlooked. The Collector and the Deputy Commissioner having both strongly recommended that no further changes should be made

made this year, on the ground that, owing to the past disastrous season, renters have lost money and the people have not yet recovered from the recent enhancement of beer tax, the Board did not propose to suggest that the changes indicated in its Proceedings referred to above should be brought into force and had it in view to proceed accordingly in its general proposals for the Presidency. It hopes to lay these proposals before Government complete early next month and meantime requests approval of its action above alluded to.
