COURT OF WARDS OFFICE MADRAS.

Proceedings of the Court of Wards,

Dated 14th May — 1898.

No. 489 ~~Routine~~ *Miscellaneous.*

READ the following letter from the Collector of North Arcot, Report C. No. 2/Ext. of 96 of 23d December 1897 and the following reference thereon dy. 18th January 1898.

I have the honor to forward herewith a statement showing the income fructed by the Poligars of the Chemba Estate, and to request that the Court will be pleased to accord sanction for the continuance of the Income referred to. The Zemindars' powers of alienation are unquestionable, under the decision of the Privy Council printed at page 277 of Indian Law Report X Allahabad and no question of

limitation can arise as regards such alien-
-ations - vide Courts Proceedings No. 3408 dated
16th October 1893 Para III of the appendix.

Reference :- The Collector is requested to
state whether Thumba is partible or impart-
-ible.

2 - The statements should have been sub-
-mitted in the form appended to Board's
Standing order No: 216 (New Edition).

Read also the following letter from
the Law officer, Report No. 21/Gen Estt of 98,
dated 17th April 1898.

With reference to para 1 of the
Court of Wards Report Cent. No 13 of 98,
I have the honour to state that para
2 and 6 of the enclosed counsel granted
to the Poligar of Thumba Estate seem to
show conclusively that the portion is
impartible, as no interest by right of
birth could be acquired in a property
the tenure of which was terminable,
and no interest was reserved to the
members of the family when the
permanent property was created and
was conferred by Government on the
Poligar.

Resolution.

The continuance of the inam
in question is sanctioned, as recommend-
-ed by the Collector.

2. The question whether an estate is
partible or impartible should be decided
on the reference to it to devolution in the past
whether before or after the permanent
Settlement. Paras 2 and 6 of the counsel
referred to by the Collector are not conclusive
proof of the impartibility of the estate.
