Civil Works.

READ—the following papers:—

From MAHOMED RAZA KHAN, Esq., Acting Collector of Kurnool, to the Secretary to Government, Public Works Department, dated Kurnool, 27th February 1898, R.C. No. 210—General.

I have the honour to forward herewith, duly countersigned, an estimate, amounting to Rs. 4,600, received from the Superintending Engineer, III Circle, for the construction of a ryots' shed, &c., for the Deputy Collector's Office at Markapur, called for in G.O., Mis. No. 649, dated the 2nd February 1897, and to request that the same may be sanctioned at an early date.

The letter, No. 5551, dated 13th January 1898, received from the Superintending Engineer, together with the site plan, &c., accompanying it, is also submitted for reference.

Note by the Chief Engineer, Public Works Department.

Provision has been made for foundations four feet in depth for the ryots' shed and latrine. The Chief Engineer considers that a depth of three feet should be sufficient and the estimate has been reduced accordingly from Rs. 4,600 to Rs. 4,545.

31st March 1898.

(Signed) W. B. DEWINTON,
Ag. Chief Engineer.

ORDER—No. 1091 W., dated 29th April 1898.

The estimate, amounting to Rs. 4,545, as altered by the Chief Engineer, for constructing out-houses, &c., for the Deputy Collector's office at Markapur, in the Kurnool district, is sanctioned as supplemental to the estimate of Rs. 21,530 for the main building sanctioned in G.O., No. 1372 W., dated 2nd June 1894.

2. This sanction has been registered as Provincial No. 7 W. of 1898-99 and classified as "Civil Buildings—Original Works."

3. The plan showing the site of the proposed well should have been countersigned by the Collector.

(True Extract.)

Under Secretary to Government.

To the Superintending Engineer, III Circle, with enclosures.
