Proceedings of the Board of Revenue

(Land Revenue).

Forest No 321 Mis, dated 17. 5. 98.

Read Endorsement of the Conservator of Forests, Southern Circle, dated 25 April 98, No 4069 on Letter from the Collector of South Canara, dated 16 April 1898, Reference No 1976.

Resolution

In the letter read above, the Collector of South Canara proposes that Artocarpus Lakoocha may be included in the list of classified trees for his district and notified as a 1st class tree on the ground that it yields valuable timber. The Conservator supports the Collector's recommendation to add the tree to the classified list on the ground that its wood is used for almost the same purposes as that of Artocarpus integrifolia & hirsuta which is a reserved tree. As regards the class, the Conservator considers that the tree in question may be

be included either in the I or in the II Class. The Board thinks it sufficient to declare the tree a II Class one with a stump fee of Rs. 5/ and accordingly submits to Government the following draft notification for approval and publication in the Fort Saint George Gazette.—

In Continuation of notification No. 305 published at page 855-6 of part I of the Fort Saint George Gazette, dated 13th July 1897, His Excellency the Governor in Council is pleased to direct that the following shall be the rate at which permits for the removal of the tree specified below on seigniorage will, until further orders be issued under the rules under Section 26 of the Forest Act (V of 1882) published in the Fort Saint George Gazette dated 21st August 1894:—

District	Class	Botanical name.	Local name.	Rate of seigniorage.
South Canara.	II	Artocarpus lakoocha.	Watchuli.	Stump fee per tree - Rs. 5.
