Sir

I beg respectfully to bring to your kind notice that I wish to retire from service from the next year.

My retirement already granted expires with the end of March 1898 but I have still to put in a service of about 5 months more from April next to complete the term of 5 years in my present grade to which it would appear from the quarterly Civil list I was promoted on the 25th August 1893. The completion of 5 years term is necessary in order that I may be eligible for a pension of half the amount of my present salary. Previous to 25th August 1893 I have had subpordinate Service but it is doubtful whether it will be taken into account in completing the 5 years term as the date of my promotion has been shown in the Civil list as only 25th August 1893.

Under the circumstances I request that you will be pleased to recommend my retention in service till 25th August 1898

I beg to remain

EAST INDIA IRRIGATION AND CANAL COMPANY,

MIDNAPORE DIVISION,

*Midnapore, 20th August* 1864.

I CAN certify that RUNGIAH NAIDOO has been an Accountant in the service of the East India Irrigation and Canal Company, Poory Division, acting under my orders for about 18 months.

He is decidedly an intelligent man and understands his work well. Having been ordered to join another Division on very short notice, I was obliged to leave many accounts in an open state, and I believe RUNGIAH has rendered good service in concluding them subsequent to my departure, but of this my relieving officer, Mr. J. McMillan will be able to form a better opinion from whom he should get a certificate to that effect.

CHARLES J. M. DIXON,
*Executive Engineer.*

## II.

THIS is to certify that BABOO RUNGIAH NAIDOO served under me in the Poory Division, East India Irrigation and Canal Company as Head Accountant for a period of four months. He is intelligent, obedient, and willing, and works hard. He remained in the Division after I left it.

Extract *from Mr. S. V. Phillips' Audit Report, dated 20th October* 1868, *to H. C. Levinge, Esquire, Officiating Agent and Manager.*

High Level Canal Division.

The gratest praise is due for the manner in which the Accounts are kept at the Head Office of this Division. I had not occasion to point out a single irrigularity, every thing was in order, clear, precise, and neat, and the manner in which the books were kept reflected the gratest credit on Baboo Rungiah Naidoo the Accountant.

Rungiah Naidoo has been employed for 5 years in the E.I. Irrigation and Canal Company's service as Head Clerk in the Executive Engineer's office of the Poory Division. Though he has not been under my immediate eye, yet I have seen sufficient of his work and heard from the officer under whom he has served, that he is a very intelligent, able, well conducted man, and particularly clever at accounting.

SIR,

I HAVE the honor to submit the following report with reference to your Memorandum No. 9755 of 9th ultimo, on the efficiency or otherwise of the Accountant attached to this Division.

1st.—The Accountant's name is B. S. RUNGIAH NAIDOO—Rank, 4th Grade.

2nd.—He is well acquainted with the Code rules for the preparation of Accounts, although he sometimes through inadvertence fails to comply with them as closely as he should in the haste in which the monthly accounts have sometimes to be despatched.

3rd.—He is both accurate and diligent in his work, and appears to take considerable interest in it.

4th.—He is far from being wanting in intelligence, but on the contrary is a man of quick perception and more than ordinary shrewdness. I am of opinion that he is perfectly capable of carrying on his duties as defined in Chapter XIX of Public Works Code.

5th.—I think I am justified is stating that B. S. RUNGIAH NAIDOO comes very near to the standard of what a Divisional Accountant in my humble opinion should be. Although a very able man, he is capable of

improvement in some points. These are, however, of no serious importance, and, I believe, the measures lately adopted for the better distribution of the office work, more systematic arrangements for getting in accounts in more complete order from the mofussil to avoid the delay of reference and other points connected with Audit notes, Memo of items, and neatness in the alterations and corrections of the office work when necessary, will suffice to remove any cause of complaint.

6th.—I am satisfied that the Accountant is anxious to perform his duties with the utmost credit, and I would beg to draw attention to the fact that the Public Works system of accounts was perfectly new to him prior to 1st January 1869, and to add to his difficulties none of the Sub-Divisional Officers or their clerks had then had any experience in these accounts.

7th.—When it is remembered that the expenditure in this Division has been comparatively heavy and from the difficulty of obtaining contractors who would work at reasonable rates nearly the whole of the work has been performed by mates or the class of men who generally come between the petty contractor and the coolie, I beg to submit that considering his short experience with this system of accounts, it must be admitted that B. S. Runciah Naidoo is deserving of great credit.

I have the honor to be,
Sir,
Your most obedient servant,
F. G. BROOKS,
*Executive Engineer,*
*Brahmini Division.*

*Transferred to the Central Office of Accounts, Calcutta.*

B. S. Runciah Naidoo, Accountant, 4th Grade, has been under my orders in the Brahmini Division since January 1869, and was for some years previously in charge of the Accounts of the Divisions when the work was being carried out by the East India Irrigation and Canal Company. Except on two or three occasions when his health entirely failed, he has performed his work very well indeed, and has always been much indefatigable in the discharge of his duties. He is a very zealous, hard working man and has shown considerable ability in making himself master of the system of Public Works Accounts. He is now transferred to the Central Office of Accounts at Calcutta, consequent on the amalgamation of this with the Beropa Division, and as he is anxious to get a transfer to the Province he comes from, I have much pleasure in giving him this recommendation to which I may add, that I can confidently predict he will give every satisfaction to the Executive Engineer he may be sent to, and his services will be more valuable from the experience he will gain in the Controller's Office.

Baboo B. S. Rungiah Naidoo, Accountant, 4th Grade, has been attached to this office for the past nine months, during which time he performed the duties assigned to him efficiently, and gave satisfaction to his immediate

CERTIFIED that BABOO B. S. RUNGIAH NAIDOO Accountant of the Arrah Division, has been under me in this Division for $1\frac{3}{4}$ years very nearly. He is thoroughly up to his work, knows the system of accounts well, so that I have had no trouble as regards all the matters connected with the booking-up of Accounts. The Accountant has given me a great deal of willing assistance over and above these matters, and has been always ready to sacrifice his Holidays and the Sundays to assist me. The Accounts have nearly always been punctually submitted as far, therefore as this office is concerned. The Accountant has done his work well and to my entire satisfaction.

Had they behaved like the Tanjore Officials, it would have been easy for them to be bribed to silence, for nothing more was wanted of them than to tell me they had failed to discover frauds. Nothing positive, only negative was required of them, in order to shield Tanjoreans, and there is no doubt that this would have been right handsomely paid for had it been purchaseable. Apart from this they laboured with an assiduity and cheerfulness that I cannot too highly commend, and we had very heavy hours at times, even till 9 and 11 at night. They did it also with ability that fully justified their selection for me by Mr. Price, from his old District of Chengelput. They did their work, too, in the face of much public contumely, which, though it may be held cheap by Europeans, is bitterly felt by Asiatics. Seeing how whole-heartedly and ably they

PETITION

To

The Secretary to Government
Revenue department.

REVENUE DEPT.

Sir,

With reference to Madras Government no 1118 Mis. Rev: of 6.3.98 in which Govt tells that I should be considered to have retired from service from the 4th January 1898 the date on which I proceeded on privilege leave, I beg respectfully to bring to the notice of Govt. the hardship to which I am subjected by the above order.

2 In November 1897, I applied to Mr E.A. Elvin, the then Collector of Kurnool to recommend my retention in service till 25.8.98 to enable me to complete the term of 5 years in the 4th class and thus become eligible for a pension of half of my pay Rs 400, as I thought that the pay which I drew during the period I was appointed to the 4th class as sub-prolem, would not be taken into account in the calculation of my pensionary emoluments but Mr Elvin seeing that I was strong enough to serve, recommended my retention up to 31.8.98 when this recommendation was under the consideration of Government, I fell ill in January 1898 after touring for about 6 weeks in Taluqs and on my applying for 4 days' casual leave, I was desired to take Privilege leave for 6 weeks for which

Copy of my application attached herewith for kind information.

3

Accordingly I applied for the
leave and it was granted to me. At this time
I had no intention of retiring from service
of taking long leave. Just at the eve of my
leave, I was asked to appear before the Distric
Medical officer as to my fitness or otherwise
That officer reports that I entirely recovered
from my illness, but was somewhat weak. At
the same time I was advised to retire witho
returning to duty and was made to under-
-stand that, by so doing my Pri: leave
allowances would not be affected and that
my sub-prolem pay also would be reckoned
towards my pension. I sent in my applicatio
and the result was that my pay during
the Pri: leave was retrenched and that I
was considered to have retired from the
beginning of my Pri: leave, thereby reducing
my pension by about 7 Rs.

4

In these circumstances I
respectfully request that Govt will be
pleased to condescend to take into consideratio
the 35 years' faithful service rendered by
me and grant me 6 months' special leave
from the 4th January 1898, for which I was
eligible and to retire thereafter. By so doing
I would lose full pay during Pri: leave
but would get a pension equal to half of
my pay Rs 400.

Vide the accompany-
-ing two pamphlets
containing my
testimonials

I beg to remain
Sir,
your most obedient servant

Retired Treasury Dy. Collector

No 4,000—19-7-97.

Petition from MRR. B.S.
Rungiah Naidu dy 13th
May 1898 (Enc 3597 of 98)

Note

In G.O. misc No 1118
Rev. dy 8th March 1898 it was
declared that MRR. B.S. Rungiah Naidu, Treasury Deputy
Collector, Kurnool, should be
considered to have retired from
the service with effect from 4th
January 1898. Rungiah Naidu
now requests that the above
order may be reconsidered and
he given six months' special
leave from the date last mentioned and allowed to retire
on its expiry so that he may
be able to draw Rs 200 full
pension.

2. From the papers
attached with GO Consol No 272
dy 18th January 1898 it will
be seen that in connexion with
the proposals for the retirement
or retirement of officers who
had attained the age of 55 years

took the Collector and the Board of Revenue recommended that Rungiah Naidu might be retained in the service until the end of August 1898 when he would have put in five years' service in the Rs 200— Grade. By 1st April 1898 Rungiah Naidu would have been 58 years and 8 months old and the Court on the ground that he was very old and fit only for Treasury duty decided that he should retire from that date. Subsequently Rungiah Naidu fell ill and was granted six weeks' privilege leave just before the expiry of this leave the Doctor examined him and certified that he was unfit for hard work. Rungiah Naidu accordingly applied for permission to retire with effect from the 16th Feb? last — the date on which his privilege leave expired. The rules however would not allow of this being done and he was therefore ~~retired~~ with effect from 14th January last the date from

Lo. 260
27-1-98

Cr Lo. 1118
5-3-98

which he was granted privilege leave.

3. Rungiah Naidu now says that when he applied for permission to retire with effect from 16th Feb? last he was under the impression that he would be getting given Rs 200 full pension. From what has been stated above however it will be seen that the Court was fully aware of the personal advantage which Rungiah Naidu would derive if he had been retained in the service till the end of August next and ~~was~~ that it was with this knowledge that it decided that he should retire with effect from 1st April 1898. The subsequent Order ~~relieving~~ him from the service ~~was~~ could practically issued at his own request. It therefore does not appear that any new ground has now been adduced for the reconsideration of the orders already passed.

4. It has accordingly been

that Mr Graham should be appointed to the 2000- grade viz Rungiah Naidu. If the request of the Collr is complied with Mr. Graham's pay will not be affected, though it may necessitate a considerable number of acting arrangements to be made in the Secl Dept for a short period.

2.6.98 Leg

It has been decided in the interests of the public service that Mr Graham should be appointed at once. There seems to be no reason for reconsidering his decision in favour of Rungiah Naguda.

Leg

Mr. Ker.

I do not think that Rungiah's said urgent. Under the circumstances work [illegible] was my hand [illegible]

The application will be rejected. He was born Aug 1839 & has been allowed however 3 1/2 years after he attained his age of 55. Last Jan[y] his Cour described him, as "worn out by age". "Had up with malarious fever — hands & legs shaky". No practical use as Trans Sup Court & Vice Pres. Ed Bd. He asked for special leave [illegible] but such leave can only be granted if there are urgent [illegible]

He has been retained on the ordinary cadre.
