REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture).

Dated 23rd May 1898.

No. 3291 Mis.

READ the following letter from the Collector of Ganjam, Rep. no. 478 of 97 dated 24th April 1898:-

With reference to Board's Proceedings, No. 2480 Mis., dated 9th April '98, I have the honour to state that an amount of Rs 69 has been paid this month on account of batta to the guards of Samalcottam paid at the Central Beavers' Depôt, Berhampore. The charge is debitable to "33 E. Miscellaneous under "33 Famine Relief". There is no provision for this charge in the estimate of charges sanctioned

in

in Government Order, No: 29 Financial dated 14" January 1898 read in Board's Proceedings No: 55, dated 5" February 1898. It can, however, be met by savings from the amount of Rs 500 sanctioned under "33 A Salaries and Establishments" for the year 1898-99 in the Government Order mentioned above. I request therefore that the Board will be pleased to obtain the sanction of Government for the redistribution of the amount of Rs 500 sanctioned under "33 A Salaries and Establishments" by transfer of Rs 69/5 to meet the charges on account of batta to the guard of Samotanam paiks debitable to "33 E. Miscellaneous". The fact that the charge has fallen in the current year is due to the delay in taking over cloths on the part of Messrs Binny & Co's agents and the failure of the Stationary Sub Magistrate, Berhampore to draw the amount within the month, in spite of strict orders to do so.

2. There is another item which has to be met in the current official year and for which there is no provision in the estimate sanctioned in the Government Order mentioned above. This is Rs 200 the charge of gunny cloths supplied by the Forest Contractor during the late famine. The Board in its Proceedings No: 1458 Mis, dated 1st March 1898 directed the payment of this amount; and it was not anticipated when I wrote my letter, Disposal No: 2015/F of 97 dated 16" December 97. I request therefore that the sanction of Government may be obtained for an allotment of Rs 200 to meet this charge which is debitable to "33-C. Relief to people employed otherwise than on relief works". In this case there is a contra credit on account of the sales of famine cloths and twine.

Resolution.

Resolution.

In the letter read above, the Collector of Ganjam requests sanction for the transfer of a sum of Rs 69 from the provision of Rs 500 under "33. A. Salaries and Establishments" in the budget grant for 1898-99 to "33. E. Miscellaneous" and for a fresh allotment of Rs 200 under "33. C. Relief to people employed otherwise than on relief works". The latter amount is stated to be required to meet the charges sanctioned in Board's Proceedings 1458 dated 1st March 1898, recorded in Government Order 1329 Rev. dated 16th March 1898. No fresh sanction is required to incur the expenditure, and the necessary provision under 33. C. can be made by transfer from 33. A.

2. Under Government Order 2121 dated 17th May 1898, the Board is competent to make these transfers and it resolves to redistribute the amount Rs 500, provided under 33. A. for Ganjam as follows:-

33. A.	Rs 231.
33. C.	Rs 200.
33. E	Rs 69.

It does not seem likely that the reduced provision under 33. A. will be exceeded; but if the Collector anticipates a larger expenditure than can be met by this provision, he is requested to apply for a further allotment in due course.
