Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 25th May 1898.

No. 3332 Mis:

Read the following letter from the Assistant Commissioner, in charge of Revenue Settlement Party No. V, No. 136/13, dated 20 May 1898:—

The classification and assessment of the unsettled villages of the Hosur Taluk, Salem district ordered in Board's Proceedings No. 56 Revs., dated 5th February 1898, having been finished, I left Denkanikotta on the 15th instant and arrived at Salem on the 17th and there personally ascertained from the Assistant Superintendent

Superintendent of Survey that the Survey records of the resettled villages of the Uttankarai Taluk and of some of the villages of the Salem Taluk would be furnished in July, (vide B.P. No. 2834 Mis: dated 27th April 1898) and arrived at Trichinopoly on the 18th and since then, I have been arranging for the completion of the checking of the diglott Registers of the remaining villages of the Trichinopoly District as ordered in Board's Proceedings No. 2642 Mis: dated 18th April 1898. I am now preparing my reply to Board's Proceedings dated 5th March 1898, No: 618, Mis: calling for further information in regard to the classification of the whole Kaveri villages of the Tanjore District. On 1st June, I intend to go back to Salem whither I have ordered the Supervisor and the Field Establishment to come down from Denkanikotta. As field work will be available in Uttankarai and Salem Talukes from July forward, I have considered it desirable to keep the field Establishment at Salem and engage it in office work there till July, i.e. till field work is available. The office work which has already been commenced, consists of the preparation of "averjahs" and statements of financial results of the classification of the villages of the Hosur and Krishnagiri Talukes. In June, I shall inspect the 8 villages of the Salem Taluk which had been already classified and also submit my

My report on the results of the classification of the villages of the Hosur and Krishnagiri Taluks. As I have thus field work to be attended to in Salem from June and as the classification of the unsettled villages of Salem and Uttankarai Taluks will be commenced in July next, I request that the Board will be pleased to sanction Salem as my head quarters from 1st June.

Resolution

Submitted to Government with reference to G.O. No. 1763, dated 23rd April 1898. The Board requests that sanction may be accorded for fixing the Assistant Commissioner's headquarters at Salem from 1st June ext.
