To

The Honorable Mr. G. S. Forbes.
SECRETARY TO GOVERNMENT,
Revenue DEPARTMENT,
MADRAS.

SIR,

In reply to Government endorsement mis., no 1803 herewith returned dated 25th April 1898, I have the honor to report that there is no objection to grant to the Vizianagram Mining Company a Certificate of Approval under rule 11(3) of the Government of India Mining rules.

2. No mining operations have as yet taken place on any of the lands for which the Company proposes to apply for a prospecting license though they have taken place in adjoining lands, the property of the Vizianagram Estate, to mining rights in which Government under the rules lays no claim.

3 If the Government grants the Certificate applied for, I will report full details of the lands, over which a prospecting license is required, when forwarding the application for the said license. But the Company cannot apply to me for a prospecting license unless and until it receives the Government's Certificate of Approval and I have already rejected an application from it

it for want of that certificate.

4. In the meanwhile to save time the lands are being identified and all necessary information gathered.

I have the honor to be
Sir
Your most Obedient Servant,

For acting Collector.
