URGENT.

To

UNDER SECRETARY to GOVT. of MADRAS,
Revenue Department,
MADRAS.

SIR,

I have the honor to state, for the information of the Government of Madras, that on the 18th instant, I received from the Superintendent, Civil Veterinary Department, Madras Presidency, a copy of his No. 341 of 14th idem, to the address of the Secretary to the Commissioner, Revenue Settlements, Land Records and Agriculture, Madras, being his Annual Report of the Department for the official year 1897-98: and regret to bring to the notice of His Excellency the Governor in Council, that the report is very incomplete, and the appendices which accompany it, have not been prepared in accordance with the prescribed forms.-

2. On receipt of your Department letter No. 884 dated 8th February 1893, to the effect that His Excellency the Governor in Council had no objection to offer to the rules proposed for the preparation and submission of Annual Veterinary Reports, the Government of India, with Revenue and Agricultural Department Circular No. 42-17 dated 28th October 1893, forwarded, for guidance, a copy of the approved Rules, and also a set of prescribed forms of Tables referring to Imperial Government animals.-

3. Under cover of my Circular letter No. 1890 M. dated 3rd October 1894, I submitted 3 sets of forms of

Tables

Tables (A.to Q) referring to the Provincial portion of the Annual Report, and solicited the sanction of your Government to their adoption, with a request that the Superintendent, Civil Veterinary Department be directed to adhere strictly to the prescribed Forms.-

4. My proposals were approved, as communicated under your Department Proceedings No. 4004 Mis: dated 18th October 1894, but I regret to report that the orders have not been complied with. Last year's Annual Report, received from the Superintendent Civil Veterinary Department Madras, was as incomplete as the one now under reference; I therefore solicit the favor of early orders being issued to Veterinary Lieutenant Edwards that the particulars required in Tables A. to Q. may be furnished to this Office for the year 1897-98, duly prepared in prescribed form. These particulars are urgently required for the Annual Administration Report of this Department, which is now almost ready for Press, and will be delayed if the statistics asked for are not received at an early date.-

I have the honor to be,
Sir,
Your most obedient servant,

Note for the under secretary

In his letter read above, the Inspector General, Civil Veterinary Deptt brings to notice that the annual administration report of the Deptt for 1897-98 of which he has received a copy is very incomplete and that the appendices have not been prepared in the forms prescribed by him in a circular dated the 3rd October 1894. He requests that early orders may be issued to the Supdt, Civil Veterinary Deptt in view to the prescribed forms being duly filled in & sent to him. The papers of 1893 & 1894 sent by the Inspector General, C.V.D. were not printed and are not available here. They have been called for from the Madras office. It, however, appears from the note under C.o no 8348 of 17.2.98, that the

G's notice when Communicating his circular of October 1894 & subsequent Communication, to the Board of Rev: for guidance, a Mistake had been made. Before however giving a definite reply to the I.G. it the papers of 1894 & 1893 contain from the Madras Office may, perhaps, be awaited.

Although in the telegram sent to Madras G.O no 212 d 9.3.94 (original) and Connected papers were called for, G.O no 4439 Misc dated 28.11.93 which is quoted in the above G.O. and which contains the rules approved by the Govt of India for the preparation of the C.V.D. report has not been received. A reference to these rules which the Inspector. General C.V.D. also alludes in para 2 of the current seems necessary before the matter can be clearly understood and a reply given to the Inspector. For orders.

With their letter dated the 28th October 1893 the Govt of India forwarded for guidance a copy of rules for the preparation and submission of the annual report of the Civil Veterinary Dept. The report was to be divided under two heads – Imperial and Provincial, the former consisting of two sections Military and Revenue, and the latter ~~consists~~ dealing inter alia with the operations conducted by local bodies such as District Boards &c.. There being no breeding operations conducted in this Presidency for the Military Department or by the District Boards, the rules of the Govt of India could not be applied to Madras in their entirety. The Board of Revenue

Revenue was therefore asked to prepare a set of supplemental rules to govern the annual report of the C.V. Deptt of this Presidency and the rules as finally approved by the Govt in G.O no 212 dated 13.3.94 were also forwarded to the Govt of India with Endt no 212 A of the same date.

Subsequently in his circular no 590 M dated 3.10.94. the Inspector General C.V. Deptt represented that owing to the great diversity of the forms adopted by the Superintendents (C.V. Deptt) of different provinces in their annual reports, great difficulty was felt in the compilation of the statistical returns required for the provincial portion of the report which he has to submit to the Govt of India. He therefore requested this Govt to sanction the adoption of certain forms A–Q. which he prescribed for the

portion of the annual report and to direct the Supdt C.V.D. Madras to adhere strictly to those forms. Further he specially added that the information required for filling up table Q (this form) he ordered to be furnished by the Accountant General. In G.O. 1004 dated 18.10.94 the Inspector General's letter was communicated to the Board of Revenue for communication to the Supdt. C.V.D. and the A.G. was also requested to furnish the information necessary for table Q of the returns. This order of which a copy was sent to the Inspector General naturally led him to expect that all his forms A to Q would be adopted by the Supdt. C.V.D. Madras in the annual report of this Presidency. But as this has not been done in the report for 1897-98 of which he has received an advance

Copy as also in the reports of the previous years, the Inspector General now invites attention to the Govt order of October 1894 and requests that early orders may be issued to the Supdt C.V.D. for the particulars required in his tables A to Q. being furnished to him, duly prepared in the prescribed forms. Most of these forms however, being inapplicable to this Presidency where there are no breeding operations conducted by the local bodies; they have not been brought into use and the annual reports are prepared in accordance with the rules approved in G.O. No. 212 d 13.3.94.

As the Inspector General C.V.D. has not been informed of these facts, it is submitted that this may now be done. It is to be noted that in the foot-note to the provincial

At the same time that the misapprehension is pointed out to the I.G. of the C.V.D, the ED might be asked to examine the subject & report whether the forms adopted for the report in this Presy acc'd to G.O. No 212 d 13.3.94, could not be brought more in accordance with the forms the Govt would like adopted (G.O. 1004 d 18.10.94) i.s. so far as there is room for [illegible] which conform to the conditions of the C.V.D in this Presy.
