2. The Collector reports that compensation was originally paid for only one of the two pieces of land now relinquished by the Southern Mahratta Railway Company and that in neither case was the capitalized value of loss of assessment to Government charged to the Railway at the time when the land was made over to it. As the Municipal Council, Guntur, has agreed to pay for the 1.40 acres of land which it requires for a hospital at the rate of Rs 100/- per acre, with

was the rate at which compensation was paid for the land when first acquired for the Railway. A sum of Rs 140 will have to be credited to the Capital account of the Railway.

3. The Collector also submits an application for the exemption from assessment, under S.O. No 12 A, of the land required for the erection of the hospital.
