Note.

In his letter dated 24.2.98, the Executive Engineer, Coimbatore Division, stated that after providing for offices for the Epigraphist, the (Sub)-Registrar and the Geological Surveyor, there is still space for two large offices in the main block of the Jail buildings at Ootacamund, and enquired whether any other Govt. offices required accommodation therein. This letter was referred by the P.W. Dept to the Rev. Dept for report and was in turn referred to the Board of Rev. and the Director, Govt. Cinchona Plantations, Nilgiris, for report. The Current read above embody the replies to this reference.

2. The Director, Govt. Cinchona Plantations, reports that he does not require any additional office accommodation. The Coll-

of Nilpiris also states that none of the Revenue offices at Colaccannund require accommodation in the old Jail buildings; and adverting to the Executive Engineer's opinion that extensive structural alterations will be required to convert the rooms cells into rooms suitable for offices and that even if the alterations can be effected without demolishing part of the buildings, the results will not be satisfactory, the Colr suggests that after making provision for the offices of other departments, the remaining portion of the building might be converted into residences for Revenue Subordinates, who have been very keenly feeling the scarcity of house accommodation at the Station.

3. It seems inadvisable to have dwelling houses just by the side of public offices, but the proposal may go to the P. W. D. for Consideration, with the remarks stated above.

× vide letter of 24. 3. 97, read in P. W. Memorandum No. 1426 C 8. 3. 98 in Go. 1348 17. 3. 98. W

and the papers transferred to that Dept with the remark that no portion of the Jail buildings is required for the accommodation of offices under the Revenue Dept.

4. The question of granting hill allowances to the subordinate Revenue establishments in the district is now under the consideration of Govt.
