Governor of Madras

May it please your Excellency

I am a junior member in the Kshathriya family of the Chief of Cranganore (Kodungallore) who is regarded as feudatory to and protégé of H.H. the Raja of Cochin. I have passed the B.A. degree Examination of the Madras University and have taken degree in two optional subjects.

I understand that the Madras Provincial Service is recruited both by Competition as well as nomination of members of respectable families of position, properly qualified. Here I beg to add parenthetically that the position of my family can be, if necessary, ascertained by a reference to H.H. the Raja of Cochin himself.

Offering myself as a Candidate for the post of a Probationary Deputy Collector I respectfully make the request that your Excellency be pleased to enlist me as one; and beg to assure your Excellency that I shall try my best to give satisfaction by proper discharge of duties entrusted to me.

I have the honour to be
your Excellency's most
obedient Servant

Note for the Under Secretary

The Private Secy forwards with a covering D.O. an application made by K. Rama Varma Rajah (B.A.) of Cranganore for a Deputy Collectorship. The P.S. thinks that the application is for permission to compete in the next Provincial Civil Service Examination. This however does not seem to be quite correct. ~~The Rajah~~ Rama Varma Rajah offers himself "as a candidate for "the post of a Probationary "Deputy Collector" (last para) and wants apparently to be nominated as a member "of respectable families of position, properly qualified" (second para). By "properly qualified" he evidently means "possessing general examination qualifications" for it does not appear that he has

has passed any special tests his age also is not given.

Orders are in the above circumstances solicited as to whether it will be sufficient to inform him that the Govt. has no objection to his competing at the Provincial Civil Service Exam.ⁿ if he is qualified by the rules to do so, or whether any further information about him should be obtained.
