Copy of letter Re. ^{Huzur} 260 of '98 dated
12 May 1898. from the Narasaraopet
Deputy Collector to the Collector of Kistna

Referring to para 9 of my R. l. ^{Huzur} 260 of 1898 dated 23rd March 1898
and para 2 of your R. l. no. ^{BtG} 168 dated
4 April 1898, I have the honor to
inform you that the Tahsildar of
Vinnkonda reports in his Arzi —
no. 2344 dated 16 April 1898 that
the labouring classes in the affected
villages of his taluk are willing to
work for famine wages if relief
works are started in their villages.
Since receiving that report, I have
visited a few villages in that
Taluk and have also personally
discussed the situation with the
Tahsildar. We are of opinion that
there is no immediate necessity
for starting relief works. There
is no doubt that the poorer —
classes find the times very hard,
but they some how manage to
make

make both ends meet and there is no urgent demand from the people themselves for relief. Such a demand is certain to arise towards the end of june, if the South West monsoon will not have set in by that time. In the meantime, I have instructed the Tahsildar to start all minor irrigation and Local Fund works for which estimates have been sanctioned and to employ on them as many persons of the poorer classes as possible and I am of opinion that more need not be done just at present. The above remarks apply in a great degree to the Karasaraopet Taluk.

2. In case it becomes necessary to start relief works in june, the Tahsildars propose the following works and I approve of their proposals.

Vimkonda Taluk Guntur. Chintalacheruvu Road between Ghantavaripalem and Chintalacheruvu.

Karasaraopet Taluk

1. The great Northern Trunk Road from Purnshottapattam to Kellore frontier.

2. Maoras - Hyderabad road from Elchur to Kellore frontier. I am asking the Local Fund Engineer to make arrangements to start these works in the 2^d half of june if necessary.

3. Besides the abovementioned works, an estimate for repairs to the irrigation tank at Agnigundala has been sanctioned in the D. P. W; and the Executive Engineer, Northern Division, informs me that out of this, earth-work to the value of Rs 4,000 will be available for famine relief. I request that the Superintending Engineer may be asked to arrange for the starting of the work in june.

Submitted to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, in reply to para 2 of the Board's Proceedings, No 158, Press, dated 25 April 1898.

2. A copy of this office letter Re 168 of 98 dated 17 May 1898 to the ^{B.G.} Deputy Collector is also enclosed.

3. It will seem that as yet,
there is no necessity for opening
any relief works in Vinkonda
or Karasaraopet.

Copy of letter Rc. No. 168 of 98 dated
17. May 1898 from the Collector,
Kistna, to the Deputy Collector,
Karasaraopet.

Referring to para 1 of your
letter, Rc. 260 of 98 dated 12. May 1898,
I have the honor to enquire what
are the Local Fund works for
which estimates are ready.

Para 3. Please inform me why
the Agrigundala works should be
started in June next. Is it your
intention that they should be taken
up only if the monsoon fails?

An early reply is requested
