REVENUE BOARD OFFICE * MADRAS *

Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 3rd June 1898.

No. 3446. mis.

READ the following letter from J. H. Robertson Esquire, Acting Collector of Chingleput District, to the Joint Secretary to Government, Public Works Department, through the Secretary to the Commissioner of Revenue Settlement, Madras, Report No. 580/8 of 1898, dated 16th May 1898:-

With reference to Government Order No. 85 I. Public Works, dated 22nd January 1897, communicated with Board's Proceedings R. C No. 2027. mis. (Rev: Settlement), dated 18th March 1897, I have the honor to state that the repairs to the Pallipattu

Pallipattu Kissa tank in the Madurantakam Taluk have not been executed, as the procedure prescribed in Sections 5 and 7 of Act IV of 1886 was not strictly followed.

2. A fresh order dated 14th June 1897 under Section 5 of the Act was issued to the President, Devastanam Committee, (the Dharma-Kartas of the temple having resigned their appointments) requiring him to carry out, within 4 months from the date of the notice, the repairs specified in the plan, and estimate forwarded therewith, or to shew cause, within 3 weeks from the date of service of the notice, why he should not carry out the same, or contribute his share as specified in the statement prepared under section 4. Copies of the statement in Vernacular were also fixed in conspicuous places of the village. The President in his letter No 413 dated 30th June 1897, replied that the temple had no funds to meet the expense of the repairs, and requested that the same might be postponed till March 1898 as the monsoon was fast approaching, and that a loan repayable in 20 annual instalments might be granted to him on the security of the shrotrium village of Pallipattu.

The loan asked for was refused as the security offered was an unenfranchised inam, and a notice dated 30th September 1897 was issued to the President under Section 7 of the Act, allowing three

three months' time to carry out the measures specified in the order dated 14th June 1897. The President was also requested to state whether he could give any collateral security for the amount of the loan asked for. In his letter No 138, dated 10th March 1898, he expressed his inability to execute the repairs to the tank as the loan asked for by him on the security of the Shrotrium village was not granted, and that no collateral security should be furnished.

3. As the landholder has not carried out the measures specified in the order referred to above, I request that the Govern-ment will be pleased to renew its sanction conveyed in the Government Order under reference. The cost after deducting the pro-portionate contribution from Government, will be recovered from the President of the Devastanam Committee.

4. The records are submitted as per enclosed list.

2. In the circumstances reported by the Collector, the Board recom-mends that fresh orders may be issued in the sense of para 1 of Government Order 85 J, dated 22-1-97.

Rev fp 1273 6-3-97

3. It is presumed that the work will be carried out by the Public Works department from the budget grants of that department.

When the orders of Government shall

shall have been duly communicated to the landholder, and published in the District Gazette with reference to the last sentence of section 9 of Act IV of 1886.
