Proceedings of the Board of Revenue

Dated 18th May 1898.

His.No. 2042.

Read Government Order His.No.1921,Revenue,dated 3rd May 1898.

Resolution.

In the Government Order read above Government declined to address the Government of Bengal,and the Resident at Hyderabad with a view to ascertaining whence a supply of ganja can be obtained in case of a failure of supply in this Presidency,remarking that it is not the concern of the Abkari Department to maintain a stock of intoxicating drugs.The --- Board very respectfully requests a reconsideration of this - order.While in ordinary circumstances the maintenance of supply is no concern of the Department,on an occasion like the present when there is danger,if not a certainty,of the supply failing,solely as a consequence of the restrictive measures recently imposed by Government,the Board submits that it is incumbent upon it to take steps to prevent such failure of supply and that should it fail to do so the consumers of the

drug would have a very legitimate cause of complaint.

2. The Board would further remind Government that no provision has been made in the rules for import ~~for~~ from outside the Presidency so that the traders in the drug ~~may~~ have no means of remedying the present deficiency without Government aid.
