Sir,

I have the honour to submit to Government a copy of the statistical volume of the revised edition of the Manual of Coimbatore, the publication of which has, I regret to say, been delayed from a variety of causes until now. I hope to have the other volume out shortly.

2. My brother, the Honourable Mr.G.H.Stuart, has kindly consented, subject to the approval of Government, to correct the proofs received from the press during my absence on privilege leave and I have the honour to request that this course may be sanctioned and that he may be permitted to sign the pay bill of the clerk while I am away.

3. The proofs now collected from the press are those of the Manuals of Coimbatore(Volume I), Madura(nearly finished) Tinnevelly, Chingleput and Kistna. As each of these districts is finished I will send the manuscript of another district, for I have a considerable amount of copy on hand.

I have the honour to be,
Sir,
Your most obedient servant,

H A Stuart

To

The Secretary to Government,
Revenue Department.

Sir,

I have the honour to request the sanction of Government for the retention of the clerk on Rs.30 for another year. There is provision in the budget for 1898-99.

I have the honour to be,
Sir,
Your most obedient servant,

H.A.Stuart

Editor of District Manuals.

Chingleput and Kistna are now in proof and that when the manuals of these districts are finished he will be sending the manuscript of the manual of another district as he has a considerable amount of copy on hand. The retention of the clerk for another year may it is submitted be sanctioned but it seems desirable to insist on the submission of the detailed report called for in G.O. No. 3970 Mis., of 30th July 1897 at as early a date after Mr. Stuart's return as possible.

2. The Volume II of the Coimbatore Manual now issued was approved by the Government in 1896 and consists of statistical tables and other information requiring periodical revision as laid down in G.O. No. 522 of 12th June 1891. From the statement made in the notes under O.M. No. 14 of 14.2.96 it would appear that the proof of the volume had also been sent to the Board for approval before issue and no special remarks in connection therewith are now called for. In new para 3 letter marked B above, Mr. Stuart also requests that during his absence on privilege leave his brother the Principal of the Presidency College may be authorised to pass proofs and to sign the pay bill of his clerk. There does not appear to be any objection to the procedure being adopted and it may, it is submitted be therefore approved.
