Mis.No. 2321.

Read Official Memorandum from Government, Revenue Department No.119, dated 3rd June 1898.

Resolution.

With reference to the Official Memorandum read above, the Board begs to invite the attention of Government to the concluding sentence of para 3, clause (ii) of para 4, the first sentence of para 5 and para 8 of Board's Proceedings No.174, dated 6th May 1897, from which it will be observed that the formation of a belt round certain isolated areas of the Nizam's territory situated in the Bandur, Bezwada, Guntur and Sattenapalle taluks and the Nuzvid division, as well as along a portion of the border, was decided upon by the Board. The villages named in the notification are those which surround these isolated patches of territory. What was considered in paras 2 and 5 of the above Proceedings to be unnecessary was the establishment of a similar belt along those portions of the Palnad, Sattenapalle and Bezwada taluks and the Nuzvid division that border on the main territory of Hyderabad.

APRIL.

Ordering the publication in the *Fort St. George Gazette* of a notification prohibiting the possession without license or transport without permit of more than one dram of country liquor in certain villages of the Kistna district, and awaiting the reports called for from the Deputy Commissioner, Northern Division, in Board's Proceedings, Mis. No. 932, dated 10th March 1898.

PROCEEDINGS OF THE BOARD OF REVENUE
(SEPARATE REVENUE).

READ—letter from the Assistant Commissioner, Masulipatam Sub-division, dated 15th April 1898, No. 45-C, submitting a revised consolidated list of certain villages of the Kistna district situated within two miles of the Nizam's dominions.

RESOLUTION—No. 131, dated 28th April 1898.

In submitting to Government its proposals for the prevention of smuggling across the Kistna-Hyderabad frontier (Board's Proceedings, No. 174, dated 6th May 1897), the Board accepted with certain modifications a draft notification submitted by the Deputy Commissioner, Central Division, prohibiting the possession without a license or transport without a permit of more than one dram of country liquor within the limits of certain villages in the most dangerous localities. A scrutiny of the list of villages submitted by him, however, disclosed errors and discrepancies in the same and owing to inaccuracies in the information furnished on the subject by the local officers from time to time, it has taken nearly a year to correct these. The notification has now been finally corrected and is appended to these Proceedings. It will be published in three successive issues of the *Fort St. George Gazette* after which the local officers will be instructed to see that it is strictly enforced.

2. The reports called for from the Deputy Commissioner, Northern Division, in paragraphs 3 and 4 of Board's Proceedings, Mis. No. 932, dated 10th March 1898, are awaited.
