FURTHER PAPERS.

Read petition from Md Ibrahim
of 27. 5. 98 (rec. 3991 of 98).

Note.

It appears that one ~~A~~ Mahomed Ibrahim of Nellore is in receipt of an allowance of Rs 7 per mensem granted by the Nabab of Wallajah for the purpose of imparting instruction to Mahomedan children (vide G.O. 999 of 12. 5. 65). The petitioner states that he being more than *70 years old and having neither wife nor issue, applied to the Collector of Nellore in 1895 that the allowance might be registered in the name of his brother Mahomed Ahmed who is able to perform the service. He was, however, informed that "the Collector will not interfere "as there is no such a vacancy" and that "the petitioner may make "his brother proxy." The petitioner submits that to comply with his request a permanent vacancy is not necessary and therefore begs that the allowance may be entered in the name of his brother on whom he is entirely depending for —

* This seems to be incorrect. He was only 25 years old in 1864 according to Col 7 of the tabular statement in the G.O. of 1865

maintenance during his old age.
2 The allowance was granted
to the petitioner's family for imparting
education to children and it should
be enjoyed by a member who can
efficiently perform that service
The yeoman may therefore be
registered in the name of his
brother as prayed for by the petitioner,
if the statements made by him
are true. The draft put up on the
docket is submitted for approval.

It seems very doubtful
whether a service of this
sort should be continued by
~~the family~~ a yeoman
allowance in a particular
family, no member of
which may be qualified.
