note

Please see C.O. No. $\frac{1252}{11.3.98}$
 and $\frac{1498}{29.3.98}$ and the notes there-
 under. With its Props. embodied
 in these orders, the Board of Revenue
 submitted plans and estimates
 for providing additional accom-
 modation to the Dy Tahsildars'
 offices at Tirunelveli and
 Madukolai, Madurai district.
 the additional accommodation
 being proposed to be secured
 by the erection of separate room
 buildings ~~adjoining~~ adjoining the main
 buildings, for the Dy Tahsildars'
 clerks. The Govt, however, being
 of opinion that the clerks should
 work in the same building
 as the Dy Tahsildars, requested
 the Board of Revenue to ascertain
 and report what objections
 there ~~were~~ ^{were} to an extension
 (in continuation of the Contn.)
 of the main buildings and what
 the cost of such an extension
 would approximately be.

2. From the reply no

received, the objection to extension of the existing buildings appear to be:-

- (i) that the extension will ~~over-~~ the Dy Subdar's ~~Exemption~~ further from his present seat;
 - (ii) that the noise and bustle of the Court-room will affect the clerks' work in the adjoining room and that sometimes the clerks themselves will neglect their work by listening to the proceedings of the suits in the Court-room; and
 - (iii) that the clerks' room will get farther from the treasury room.
- The above objections are raised by the S.W. Sub-Divisional Officer and no remarks are offered thereon by the Collector. As observed by the Board Revenue, none of these objections seem to merit any serious consideration. The clerks' room in the existing buildings at the two stations adjoin the Court-room and this also the case in the standard design buildings - viz. design in G.O. $\frac{2381 W}{26.9.95}$. Nor is third objection of much force.

It is too familiar.

a very good thing.

for in the standard design for Dy Subdar's (second class salary) offices, the position of the ~~treasury~~ Sub-treasury, ~~which is adjacent to~~ does not adjoin the clerks' room. In these circumstances, the Board's recommendation that orders may issue in the P.W. D for the preparation of plans and estimates for the extension of the existing buildings at Dimah and Moulakolatas for providing the additional accommodation required for the clerks, may, if it is submitted, be accepted. The saving that will be effected in the estimate by such a measure will be about Rs 2000. ~~for extension of buildings for~~ ^{the same} ~~the~~ Officer.

The appended draft order is accordingly submitted for approval.

Order No. 2702 of 27th June 98.

The Govt agrees with the Board of Revenue that the additional accommodation required for the clerks should be provided by extending the existing buildings. Orders will issue in the P.W. Dept for the preparation of the necessary plans and estimates. In planning the extensions care should be taken to keep the clerks room as far as possible within view from the Dy Tahildar's Seat.
