OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),
Madras, Dated 6th June 1898.

READ— Endorsement of the Conservator of Forests, Southern Circle, dated 9th May 1898 c/o 42/2 forwarding to the Board letter from D.W.G. Coyajee Esquire, the Collector of Nilgiris, dated 5th May 1898, Ref on Cur No 26-S.

Forest Reference No. 243 dated 6th June 1898.

The draft notification received with the foregoing letter will be submitted to Government with the recommendation that it may be published in the Fort Saint George Gazette after the sanction of the Government of India has been obtained.

2. In his letter read above the Collector of Nilgiris proposes to disafforest patta lands No. 805/C & 805/D included in the Sutton Shola Reserve. These lands were granted to Sir Charles Sargent under G.O No 1575 dated 19-4-83, but as he was not put in possession of them until the end of 1884 the existence of the grant did not appear to have come to the notice of Mr. Gamble the then Conservator, C.C, who selected the block in 1884. The

The lands were thus included in the notification declaring the Sutton Shola a reserved forest, but the error was only discovered at the time of the verification of the boundaries of the Reserve, when the demarcation was found to differ from the description given in the notification under Section 16, the demarcation line excluding the two patta lands in question. As the lands lie on the boundary of the Reserve, the Board considers that they may be unreserved as proposed by the Collector.

3. The draft notification contains certain slight errors and these have been rectified in this office.
