Read again Board's Proceedings Forest No.341 Routine,dated 2nd May 1898,informing Mr.A.W.Lushington,D.F.O.Kurnool,by wire that there is no objection to his handing over charge to Mr.C.E.C Fischer,Assistant Conservator at Dhone if the Collector is willing;and requesting him to send a formal application for the sanction of Government.

Read the following Endorsement of E.D.M.Hooper Esquire.,Ag. Conservator,Northern Circle,dated 30th May 1898,R.C.No.1736 on letter from Muhammad Raza Khan Esquire,Ag.Collector of Kurnool, dated 17th May 1898,C.No.2600.

Forwarded and it will be as well to secure sanction at the same time for Mr.Lushington to reassume charge at Dhone on his return from leave for I propose to meet him and Mr.Fischer at that place on the former rejoining.Will the Board kindly sanction this in anticipation of Government approval?

Forest Reference No.248,dated 8th June 1898

In notification No.171 published on page 331 of the Fort Saint George Gazette dated 26-4-98,Mr.A.W.Lushington, District Forest Officer,Kurnool,was granted privilege leave for one month and thirteen days from or after the 5th May;and in notification No.206 published on page 388 of the same Gazette dated 10th May 1898,Mr.C.E.C.Fischer was appointed to act for Mr.Lushington.Mr.Lushington requested permission to hand over charge to Mr.Fischer at Dhone,the Railway station for Kurnool,as both the officers who were engaged on work in different parts of the district could conveniently meet there.The Board accorded the necessary permission subject to the submission of a formal application for the sanction of Government under article 67;Civil Service Regulations.

2 This application is made in the letter read above.The Collector explains therein that it would have involved waste of time and caused extra expense to Government if both officers had gone to Kurnool to transfer charge.In these circumstances

the Board requests the sanction of Government for the transfer of charge elsewhere than at head-quarters and trusts that its action in having permitted the transfer in anticipation of sanction may be approved.

3 In his Endorsement on the Collector's Letter, the Conservator states that he proposes to meet Messrs. Lushington and Fischer at Dhone on the expiry of the former's leave and requests that for the same reasons the two officers may again be permitted to transfer charge at that station. The Board now authorizes this arrangement and requests that Government will be pleased to approve its action in so doing and to accord the necessary sanction. Mr. Lushington's leave is expected to expire by the 18th instant; hence the necessity for issuing orders in anticipation of sanction.
