Shrotriemdars, should be decided by the Forest Settlement officer while Settling those lands under the Forest Act; in B.P (Forest) No. 1440 mis dt 2.11.96, the Board further directed that in notifying ~~and~~ the disputed tracts under Section 4, the boundary line should be fixed at the limit up to which the land was believed to be at the disposal of the Government, the Shrotriemdars being left to prefer their claims before the Forest Settlement officer in case the boundary fixed turned out to be wrong.

Sir,

I have the honour to report the conclusion of the settlement of the proposed Udayagiri Veligonda extension reserve in the Udayagiri taluk of your district.

2. The initial notification under section 4 of the Madras Forest Act proposing to constitute this area into a reserved forest appeared at page 366 of the Fort St. George Gazette dated 23rd March 1897 and the proclamation under section 6 of the Act was published in the District Gazette of May 1897.

3. The block was inspected perambulated and enquired into by me in Novr. '97 and one claim was preferred by the Raja of Kalahasti to the whole of the proposed extension. The District Forest Officer first contested the claim but subsequently withdrew his objection and the claim was admitted. Under these circumstances I request that the Board may be asked to move the Government to have the notification under sec. 4 cancelled.

4. A signed copy of the B. Register of claims and the sketch map of the reserve are herewith submitted.

I have &c.
