RESOLUTION.

Simla, the 14th June 1898.

READ again—

Resolution No. 1097-S.R., dated the 9th March 1897, Department of Finance and Commerce.

RESOLUTION.—In the Resolution read above the preliminary edition of a Memorandum on Excise Administration in India, so far as it is concerned with intoxicating liquors, was forwarded to the various Local Governments and Administrations for necessary correction and amplification. All the replies called for having been received, a final edition of the Memorandum has been prepared, revised with reference to the corrections and suggestions submitted and the latest Excise Administration Reports available. Copies of this revised edition are being supplied to the various Local Governments.

Under G.O. 950 30-9-87

2. In this Department's Resolution No. 4417, dated 23rd August 1887, it was desired that each Provincial Administration Report should be prefaced by "a concise description (which may be repeated from year to year) of the various systems under which the excise is administered in the Province concerned and the extent to which each system applies." So far as the ground covered by the Excise Memorandum now circulated is concerned, *viz.*, the Excise Administration on all matters connected with liquor, this description may hereafter be omitted, and in lieu of it a short note should be inserted shewing the corrections and alterations which would be necessary to make the chapter of the Excise Memorandum relating to the Province correct with reference to the facts and figures of the year under report. When any important alteration has been made in an excise system it will be desirable to submit a complete redraft of the paragraph or paragraphs of the Excise Memorandum which will have become superseded. It is intended that reprints of the Excise Memorandum should be issued from time to time, so that the excise officers of each Province may have in a convenient form a history of the progress made by other Provinces in excise matters.

3. A descriptive account of the system of opium and hemp-drugs administrations prevalent in each Province should for the present continue to be submitted in the prefatory chapter of the Excise Reports.

4. In Ajmere-Merwara and Baluchistan no separate Excise Reports are submitted. The Chief Commissioner and Agent to the Governor General of those Provinces will, year by year, as soon as they have the necessary figures and facts available, submit to the Government of India a note showing the alterations required in Chapters XII and XIII respectively of the Excise Memorandum.

ORDER—Ordered, that a copy of this Resolution, with copies of the Memorandum referred to above, be forwarded to all Local Governments and Administrations.

Offg. Depy. Secy. to the Govt. of India.
