Resolution

The Board regrets to find that though 3 weeks have elapsed since the Negapatam Salt treasury was broken into, no information whatever has been obtained as to who its perpetrators were. It feels certain that the factory establishment knows more about it than it has divulged. This factory has long been notorious for dishonesty and the Board thinks it necessary that a complete change should be made in the establishment which should be

3. That your Excellency's petitioners also beg to add that there is a Board's standing order that a poor paid menial servant should not be transferred from one District to another.

And therefore Your Excellency's poor petitioners very humbly pray that their case may be given due consideration and orders may be passed to retransfer them to their former circles at Government cost.

That for which act of charity Your Excellency's petitioners shall as in duty bound ever pray.

They beg to remain,

3. The petition has not been signed by the parties and would appear also to be liable to rejection on the ground that it is a joint memorial, but in regard to the latter objection, the Board doubts whether rule 70 of the Rules for the personal conduct of Government servants is applicable to men in inferior service seeing that the note printed at head of page 5 of the pamphlet lays down that the rules contained therein apply to all officers in Superior Service. It requests the favour of instructions on the point.

Secy

No information having been obtained with reference to the loss of 5000 Rs from the Negapatnam Salt Treasury, the Bd ordered that all the persons & petty officers of the Negapatnam factory shd. be transferred elsewhere by degrees. This has been done & now the H.O. & persons transferred to Negapatnam in place of those transferred elsewhere have sent a joint petition protesting against their transfer to Negapatnam.

The Bd raises the question whether the memorial is not liable to rejection being a joint one under Rule 70 of the Rules for the conduct of Govt servants. The memorial clearly does not

cc 1/1998

seem liable to be rejected
 on this ground for as
 pointed out by the
 Bd itself the note at
 the head of the Rules
 (Vide p. 5) states that
 the rules apply to all
 Officers in "Superior

In the 2nd Edition
 of the Rules the words
 "in Superior Service" do
 not occur in the note
 (Vide copy flagged A)
 The change appears to
 have been advised &
 made in the Public

The memorial
 however is certainly
 liable to rejection under
 Rule IX of the C. Petition
 Rules which lays
 down that every

 petition Govt must
 do so separately.

The Deputy Commissioner is therefore requested to make the necessary arrangements for its gradual dispersion. No one employed there at the commencement of the current ~~year~~ month under the rank of Sub Inspector must be in the Circle at the end of the current Calendar year without the special sanction of the Board. The Deputy Commissioner should commence to carry out this order as soon as the prescribed date is passed so that the change may be effected gradually.

HIS EXCELLENCY
THE RIGHT HONORABLE,
THE GOVERNOR IN COUNCIL
Fort Saint GEORGE.

THROUGH
THE PROPER CHANNEL.

The humble Appeal Petition of the undersigned Petty Officers and Peons of the Salt, Akkry, and Customs Department Negapatam circle recently transferred from Tinnevely and Trichinopoly Sub-Divisions, most respectfully sheweth—

That with reference to Boards Proceedings No 1611, dated 26—4—97 in connection with the Negapatam Salt Treasury theft Case, Your Excellency's poor and innocent petitioners have been transferred to this circle in lieu of those who have been transferred here.

The result of the transfer of the petitioners from their native districts is that:—

- I. The climate does not suit their constitutions.
 - II. They have had to incur an expenditure of more than twice or thrice their monthly pay in defraying the trainage and bandy charges &c. for coming over here.
 - III. In the event of a marriage or other important ceremony, such as death of their parents or among their closest relatives they are put to a great loss in defraying all expences in going to and returning from such distant places (viz) from one Sub-Division to another Sub-Division, which, in many cases, exceeds 400 miles.
 - IV. Some of those who were transferred from the above Sub-Divisions have resigned their appointments and some are wavering to tender their resignation with hopes that their case will be given due consideration in the hands of Government.
2. The transfer of the poor petitioners from their native Districts causes great loss of money and much inconvenience not only to themselves but also to their families. It goes very hard against the poor petitioners that they should be transferred, as if on punishment, from very distant places, when they are quite innocent of any offence.
 3. That your Excellency's petitioners also beg to add that there is a Board's standing order that a poor paid menial servant should not be transferred from one District to another.
