APRIL.

Submitting to Government, for approval and publication in the *Fort St. George Gazette*, draft notification under section 4 of the Forest Act for the constitution of the Chirala block, in Bápatla taluk, Kistna district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE

(LAND REVENUE).

READ—the following letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue (through the Conservator of Forests, Northern Circle), dated Masulipatam, 20th February 1898, Dis. No. 1869-Forest:—

I have the honour to submit, herewith, a draft notification under section 4 of the Madras Forest Act (V of 1882) for the reservation of Chirala reserve in Bápatla taluk.

2. As will be seen from the plan, the Madras-Bezwada Railway line runs through the reserve which contains a sandy waste where the sand drift is so great that, during the last year, a half of the alignment of the embankment has deviated by nearly 4 feet. For the safety of the railway and to prevent damage to rolling stock it has been partly planted up with casuarina, sissu and other plants at the request of the Executive Engineer, Bápatla Division, and with the sanction of the Conservator. The whole reserve will be fully stocked when funds permit.

3. The block was selected by the District Forest-officer Mr. A. W. Lushington in August 1897 after a personal inspection, and was demarcated by Acting Ranger A. N. Bhujanga Row and the demarcation was checked here and there by the District Forest-officer on the 12th December 1897.

4. There is a small hamlet consisting of about 15 huts called Amodipatnam built in D. No. 275 ten years ago with no sanction. This will either be cut out or treated as an enclosure with sufficient space round it to prevent any inconvenience.

5. It may be noted that this is not the area proposed in the same village in this office letter, C. No. 110-Tour, dated 1st February 1896, which was cancelled by the Board of Revenue.

6. The statement of area and condition, the ayacut abstract, demarcation certificate and the sketch of the reserve are enclosed.

STATEMENT of area and condition.

Total area of the taluk.	Extent of occupied and unoccupied Government land in the taluk.	Area of reserves already notified under section 16.	Area of reserves under settlement.	Area of reserves submitted for notification under section 4.	Character of land proposed for reservation.	Sketch-map.

2. The proposed block is recommended for reservation in view to prevent damage to the Madras-Bezwada Railway line which runs through the forest and is partly planted up with casuarina, &c., trees.
