Read—Proceedings of the Board of Revenue (Revenue Settlement), Mis. No. 2997, dated 5th May 1898, on letter from the Collector of Cuddapah, Dis. No. 1485—Revenue, dated 2nd April 1898, forwarding a statement showing the total expenditure incurred on relief works in charge of Public Works officers in Cuddapah district.

Resolution—Mis. No. 2997, dated 5th May 1898.

With reference to G.O., No. 6437, Revenue, dated 15th December 1897, the Board begs to report that the expenditure in the Public Works Department up to the end of the official year 1897-98 as now reported by the Examiner of Public Works Accounts is Rs. 66,75,061. The expenditure in the Civil Department for the same period reported by the Accountant-General being Rs. 25,88,637, the total famine expenditure for the official year amounts to Rs. 92,63,698 or Rs. 6,50,994 less than the estimate submitted in Board's Proceedings, No. 9732, dated 4th December 1897 (vide statement appended). The decrease in the Public Works expenditure is due mainly to refunds of unspent balances in the hands of Civil officers referred to in G.O., No. 1090, Financial, dated 30th December 1897, and the decrease in the civil expenditure to recoveries aggregating about Rs. 1,75,000 on account of the sale-proceeds of famine cloths having been taken in abatement of the gross charges incurred.

ORDER—No. 535, Financial, dated 14th June 1898.

The net actual expenditure in 1897-98 under 33. FAMINE RELIEF, as shown in the preliminary accounts submitted with the papers read above, was 92.59 lakhs, for 27 lakh less than the final revised estimate adopted by the Government of India (92.86).

2. The revised estimates accepted in G.O., No. 301, Financial, dated 23rd March 1898, amounted to 93.75 lakhs, but those estimates did not take into consideration the deductions from the actual expenditure made by the Accountant-General monthly on account of recoveries from weavers, sale-proceeds of materials, &c.

3. The comparison in the annexed abstract of the actual expenditure with the final allotments sanctioned by Government is to some extent vitiated by the procedure adopted in the accounts. In forwarding the final figures, including all adjustments in the Civil as well as in the Public Works department, the Accountant-General will be requested to exhibit clearly the total gross expenditure under each detailed account in each district. The receipts should be shown in a separate statement, embodying full information regarding the total advances made, the recoveries effected, the balances outstanding, and the periods within which these balances are expected to be collected.
