Resolution.

With reference to the enclosed Audit slip No. $\frac{A.B.H}{22}$ dated 8-6-98 from the Accountant-General's Office, the Board regrets to have to trouble Government with the following matter.

2. The Third member (now acting as Second member) attended the meeting of the Legislative Council at Ooty on Friday, May 13th. On Saturday May 14th, he remained at Ooty (with the permission of the Chief Secretary to Government) in expectation that his presence might be required in the matter of

of certain settlement business, on which he was anxious to obtain the orders of Government.

The day was not wasted, but was occupied in writing a note on the Madras Tenancy Bill, of which the substance has been incorporated in a Resolution submitted to Government, by the Full Board. The following day, Sunday May 15th, was a dies non, and on Monday he returned to Madras.

3. In his travelling-allowance bill, halting allowance was claimed for Saturday and Sunday, May 14th & 15th, and the purpose of the journey to the hills was stated to be to attend the meeting of the Legislative Council.

The Bill was returned by the Accountant-General, for want of information as to how long the meeting lasted. To this a reply was sent that the halt on Saturday was with the knowledge and permission of

of Government, and that Sunday was a dies non, (on which no officer is bound to travel).

The Accountant-General has thereupon retrenched the halting allowance for Saturday and Sunday "for want of an order of Government, sanctioning his stay at Cotacamund on those days."

3. As the Accountant-General is not satisfied with the member's statement that he remained at Ooty on Saturday May 14th, with the approval of Government, and in the performance of his duty, the orders of Government are solicited as to whether the claim to halting allowance for Saturday and Sunday, May 14th & 15th, should be passed or not.

Fort St. George,
Accountant General's Office,
27th June 1898.

Forwarded to Government.

The Honorable Mr. H. M. Winterbotham
claimed in his travelling ^{allowance} bill daily allowance
from 13th to 15th May 1898, the purpose of the
journey shown being "To attend Legislative
Council". As the Legislative Council sat only on
the 13th May 1898, his daily allowance for the
14th and 15th has been disallowed in the absence
of a Government Order sanctioning his stay
at Cotacamund beyond 13th May 1898 (Vide Article
1224 Civil Service Regulations).
