(Submitted in accordance with
District Board Presidents No. 1686 dt. 14 January 1898).

Sir,

I have the honor to enclose a resolution of the Guntur Valuation Board and to submit the following :—

1. In the village of Kollipara there is an endowed Tope which has been resumed and handed over to the Board for improvement of water supply under Government Order No 271 dated 5th April 1893.

2. The Board under my predecessor decided to devote the accumulated endowment to

for the improvement of water supply in the Nizampatam and other villages of the Taluq following the precedent laid down in Government Orders No 1222 L dated the 26th June 1897 in which the Board was permitted to utilize an endowment received in one village for improvement in another. The District Board President and the Treasury Deputy Collector have pointed out, doubtless correctly, that the permission given in the Government Order was particular, and authorises all no general application of the principle indicated.

3. There is no [2nd per] [~~Rural~~] water supply improvement in Kollipara. The Board proposes merely to utilize the funds in its hands elsewhere, where they are wanted.

4. I submit therefore that the proposals of the Board to spend the funds on water supply improvements may be approved, and would suggest the advisability of generally permitting the utilization of endowments outside the villages, whence they are derived. The amount of the Nizampatam estimate is Rs 622-8-0 and the amount of endowment available is Rs 1049-13-10.

I have the honor &c
Your most obedient servant
[2nd Secretary]

Forwarded.

2. The District Board, in its resolution No 10 dated 29th January 1898, sanctions the allotment, but not from the endowment. The money should be provided from general savings or by borrowing from the Endowment funds. ~~A permanent diversion of the funds of a charity cannot be approved.~~ [but]

The delay in forwarding this papter, which I regret, was due partly to my office treating it as routine and not as emergent, and partly to a tendency of my own work to fall into arrears in consequence of the interruptions caused by the recent visit of H.E. the Governor ~~Received~~ 14-2-98. and by jamabandi.
