APRIL.

Submitting to Government, for approval and publication in the *Fert St. George Gazette*, draft notification under section 16 of the Madras Forest Act for the constitution of Sinivaram extension block in the Golgonda taluk, Vizagapatam district, as a reserved forest.

PROCEEDINGS OF THE BOARD OF REVENUE
(LAND REVENUE).

READ—the following letter from R. H. L. LUSHINGTON, Esq., Forest Settlement-officer, Ganjam, &c., districts, to the Collector of Vizagapatam, dated Camp, Waltair, 11th October 1897, No. 160 :—

I have the honour to report the conclusion of the settlement of Sinivaram reserve extension block No. 47 of Golconda taluk of Vizagapatam district.

2. The notification under section 4 proposing to constitute this area a reserved forest appeared in the *Fort St. George Gazette*, dated 16th March 1897, and the proclamation under section 6 was published in the District Gazette, dated 1st May 1897.

3. I perambulated and enquired into the claims in the block in July 1897. Four claims were filed in all. Three claims were to portions of a hill included in the reserve, filed by certain aghahamdars, which were rejected. One claim was to right of way over a foot-path which was admitted, and will be excluded from the reserve by altering its boundary. No appeals were filed against my orders.

4. The block is thus free of all rights.

5. The date for presentation of claims expired on 31st July 1897 and the appeal time on 28th August 1897.

6. The following records are sent herewith :—

- (a) B. Register of claims.
- (b) Draft notification under section 16.
- (c) Numerical statement of claims filed and disposed of.
- (d) Sketch of the block.

7. The date from which reservation is to take effect has to be entered in the draft notification.

I.	Suryanarayana, karnam of Panasalapad, &c., villages.	1st July 1897.	Claims on behalf of the public right of way over the foot-path from Korapolu to Panasalapad.	Long use	The District Forest-officer does not contest the claim.	Right of way over the foot-path for men and cattle to a width of two yards is admitted. The path will be excluded from the reserve by an alteration of its boundary. (Signed) R. H. L. LUSHINGTON, Forest Settlement-officer, Ganjam, &c., Districts. 3rd July 1897.
II.	Suryanarayana of Narasipatnam.	3rd July 1897.	The claimant is a part owner of the Korapolu Aghaharam and claims a portion of the hill included in the Sinivaram extension reserve from the top of the hill to the foot of it.	Title-deed, extract from the Inam fair register. Recent survey which makes the top of the hill to be the boundary of the mokhasa.	The District Forest-officer contests the claim on the following grounds :— The area claimed is about 400 acres and the title-deed for the Aghaharam is for only 106 acres; that the claimant could not explain the discrepancy and that he was unable to prove enjoyment, finally that the claimant not only failed to prove his right but disproved it. The District Forest-officer contests the claim on the grounds that it is indefinite and is unsupported by any evidence.	The claimant failed to prove enjoyment, and the documents produced by him, disproved rather than proved his claim, and therefore the claim is rejected. (Signed) R. H. L. LUSHINGTON, Forest Settlement-officer, Ganjam, &c., Districts. 5th July 1897.
III.	Ganganna Dora of Arla.	Do.	Claims on behalf of his nephew the portion of hill bordering on the mokhasa of Panasalapad taken up for the Sinivaram extension reserve.	Title-deed, copy of an extract from the Inam fair register.	The District Forest-officer contests the claim on the ground that the document filed by the claimant does not prove his right to the land claimed and that the claimant has not proved prescriptive right.	Finding that the claimant has failed to prove his right by documentary or oral evidence and that an adverse right to the hill by Government has been established, the claim is rejected. (Signed) R. H. L. LUSHINGTON, Forest Settlement-officer, Ganjam, &c., Districts. 6th July 1897.
IV.	Sitharanaswami of Narasipatnam.	Do.	Claims about 400 acres of land said to belong to the G-agavaram mokhasa and included in the Sinivaram extension reserve from the top of the hill to the north of the mokhasa to the foot of the hill.	Certified copy of the original claim made before the Inam Commissioner.	The District Forest-officer contests the claim on the ground that the document filed by the claimant does not prove his right to the land claimed and that the claimant has not proved prescriptive right.	I find that the claimant has not proved a right to the mokhasa by failing to file a title-deed, the extract from the Inam fair register filed by the District Forest-officer disproves the claimant's right to the hill claimed and that the claimant has not proved prescriptive right and accordingly reject the claim. (Signed) R. H. L. LUSHINGTON, Forest Settlement-officer, Ganjam, &c., Districts. 29th July 1897.
