To The Collector of Maddas.

Sir,

In reply to your letter No ²⁵³/₉₈
dated the 23rd April 1898, I have
the honor to inform you that the
incinerator is under construction
and will not be completed till
next year. The estimated cost
is Rs 1,00,000. The working expenses
will probably not be less than -
Rs 300 a month and the sale in
clinker may realize from Rs 10 to
Rs 30 a month but even this is
extremely doubtful

OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, _____ 189

READ— Endorsement of the Acting Under Secretary
to Government, Revenue Department N. 1547 Mis.
1898

* The Collector of Madras dated 2nd April, and reference N. 426 dated
15th April 1898
is requested to ascertain the estimated amount
of expenditure on and receipts from the
incinerator and report the figures to
the Board. Read also letter from the Collector of Madras
dated 28th dated 6th May 1898.

Reference No. 594 dated 27th May 1898.

Submitted to Government with reference
to its endorsement N. 1547 dated 2nd April last.
2. The President, Municipal Commission,
Madras having applied for the exemption
from assessment of land measuring 2 Cawnies
9 grounds and 1728 Sq. ft. or 3.18 Acres, on which
it was proposed to erect an incinerator for
rubbish, the Board in its Propo. 4620 Mis. held
2/2-97
that the land was not entitled to exemption
as it was possible for the Madras Municipality
to derive some profit from the sale
proceeds of the ashes. The Government agreed
with the Board (G.O. N. 45 Mis. dated 5-1-98)
3. The President, Municipal Commission,
however, has represented in his letter to the
Secretary to Government (Local and Municipal)
P. W. N. 1322, dated 14th March 1898, that the
estimated profit from the incinerator is
trifling.

trifling in comparison with the probable cost of erecting and maintaining it. He accordingly requests a reconsideration of the Government orders charging the land with Assessment. From the letter of the President, Municipal Commission to the Collector of Madras dated 2 May 1898, it appears that the estimated expenditure on the upkeep of ^{the} incinerator, exclusive of interest on Capital outlay, is Rs 300 per annum; while the receipts are estimated at only Rs 106-Rs 30 a month. Accepting these figures as correct, the Collector considers that the piece of land in question is entitled to exemption from assessment in the same manner as the site of a local fund or Municipal building the expenditure of which exceeds the receipts. The Board accordingly recommends the exemption of the land from assessment.

Note.

In 1896, a piece of land in Ennaguram, Vepery, measuring 7 can. 5 gr. 887½ sq ft. was granted to the Madras Municipality for a rubbish depot subject to the payment of an annual rent of Rs 5-4-0 per canny. (vide C.O. 3.8.96 No 3106 m.)

B

The President, Municipal Commission Madras applied in June 1897 for the exemption from assessment of a portion of this land measuring 2 canny. 9 gr. 1728 sq ft. or 3.18 acri on which it was proposed to erect an incinerator for rubbish. The Collector of Madras having reported that the Municipality might derive some profit from the sale of the ash resulting from burning refuse in the incinerator, the Board held that the site could not be exempted from assessment. The Government agreed with the Board. (C.O. 75.1.98.)

2. The President now submit

(vide his letter of 14.3.90 no. 1322 P.W) E
 that "the profit referred to by the
 Collector, if there be any at all, -
 would certainly be but a drop in
 the pot of maintenance or capital
 outlay" and requests that the above
 C.O. may be reconsidered. It appears
 from the President's letter to the
 Collector of Madras of 2.5.98 no. 7.
 102 P.W. that the estimated cost of
 the incinerator which is under
 construction is Rs 1,00,000 and
 that the working expenses will
 probably be not less than Rs 300
 a month while the sale proceeds of
 the ashes are estimated at only Rs
 0.15 30 a month. The Collector
 apparently accepting these figures
 as correct, considers that the
 site in question may be exempted
 from assessment in the same
 manner as the site of a Local
 Council or Municipal Bungalow -
 the average expenditure of which
 for five years exceeds the receipts.
 vide C.O. 861 of 2.10.93. The
 Board of Revenue supports the
 Collector's recommendation.

the prescribed statement for the
 alienation of land revenue. The
 capitalized value of the revenue
 payable on the land being about
 Rs 367-15-00, the Local Council
 is competent to sanction the
 exemption (vide para 9 of the C.S.
 resolution in C.O. 681 Pub of 6.6.92)
 As already stated, the land in question
 forms part of the extent of 7 canals
 887 1/2 sq ft which was made over
 to the Madras Municipality in C.O.
 3106 of 3.8.96. In connection
 with the statements of alienation
 of land and of land revenue -
 submitted by the Board for 1896-97,
 it was pointed out that the above
 grant required the sanction of
 the Council of India and that the
 Collector should be called upon to
 submit the prescribed statement
 giving full particulars for trans-
 mission to that authority (vide
 para 7 of C.O. 42 of 21.1.98) This
 statement has not yet been
 received. The exemption from
 payment of land revenue now
 applied for cannot, it is submitted,
 be sanctioned until the grant

the whole land to the Madras Municipality is confirmed by the Government of India.

The Board may be directed to expedite the submission of the statement called for in para 7 of C.O. of 21.1.98 No 42 and also to submit the necessary statement for the alienation of land revenue on the site on which are the incinerators for rubbish is being erected.
