Road Endorsement by E.P. Robert Esqr. Conservator of Forests Central Circle Dy 28-2-98 No. 1250 forwarding letter from A.E. Castlestuart Stuart Esqr., Collector of S. Arcot Dy 24-2-98, Reference No. 59 of 98.

Resolution

It appears that this block contains no growth of any value, and consists mainly of land fit for cultivation much of which has already been under plough. If it is likely to be in demand for cultivation at an early date the propriety of reserving it seems doubtful. The Collector is requested to report on the point.

Resolution

On scrutinizing the settlement records of the proposed Meenur block in the South Arcot District, the Board found that it consisted mainly of lands fit for cultivation most of which had already been made under occupation. As there was nothing to show that the lands would not be required for the same purpose in the near future, the Board requested the Collector to report on the propriety of reserving them. The Collector now states,

(i) that out of an extent of 840 acres (the area of the block as finally settled,) about 445 acres are cultivable, of which 205 acres will shortly be taken up for cultivation, and in the event of the remaining extent of the cultivable area being also required for the same purpose, the area of the reserve will fall considerably below the minimum limit of one square mile;

(ii)

ii) that the reserve is not very useful and shuts in two villages;

iii) that it contains no growth of any value, the few valuable trees existent being in the portion best adapted for cultivation.

In these circumstances the Collector agrees with his Permanent District Forest Officer Mr. Peake in considering that the reserve should be abandoned, and the Conservator also concurs in their opinion. The Board supports their recommendation and accordingly submits to Government the following draft notification cancelling the notification under sec. 4 of the proposed block:—

His Excellency the Governor in Council resolves to cancel so much of the notification No. 64 published at pages 119 - 122 of Part I of the Fort Saint George Gazette dated 5th February 1895 as relates to the proposed constitution of the Marur block in the Kallakurchi taluk of the South Arcot District, as a reserved forest.
