REVENUE BOARD OFFICE MADRAS

Proceedings of the Board of Revenue

Dated 14th April 1897.

No. 2812. mis.

READ the following letter from, Mr. Ry. T. V. Narasimhalu Naidu Garu, Assistant Commissioner of Revenue Settlement, in charge of Party No. V, R. No. 80/B, dated 31st March 1897:-

According to the entry of date of birth in the Service register of Moideen Patcha Sahib, duffadar of this office, he completes his 60th year on the 17th May next, but he has reported that the entry of the date of his birth in his Service register is incorrect, that one Syed Omar, a peon in the District Munsif's Court at Ambasamudram, and himself are twin-brothers, and that the Service register of Syed Omar

be referred to, and the entry in his (Moideen Pateha's) be corrected. The extract from the Service Register of the said Syed Omar received from the District Munsiff and the statement given by the said person before the District Munsiff shew that he was born on the 5th April 1846, and that he and this office Duffadar Moideen Pateha are twins. By appearance too, the latter appears to be about 50 years old. In these circumstances, I have the honor to request that the Board will be pleased to order necessary correction to be carried out in the Service register of Moideen Pateha.

2. His Service register and Statement, the extract from the Service Register of Syed Omar, and his statement are herewith submitted.

Resolution

The Assistant Commissioner will be requested to obtain, and submit the Duffadar's explanation as to how the incorrect entry regarding the date of his birth was made in the Service register.

to furnish the date of his birth, and as he had no horoscope to refer to, and as he himself was quite ignorant on the point, he had to rely entirely on the information supplied by his old grandmother, purely from her memory, and furnished it to the clerk who prepared his Service book, and who entered the corresponding English date. It is not known, on what information, the date of birth of the Duffadar's brother was entered in his Service book in the District Munsiff's Court at Ambasamudram. I have written to the District Munsiff, and as soon as his reply is received, I shall address the Board again.

Proceedings of the Board of Revenue

Dated 18th June 1897.

No. 4452. mis.

READ the following letter from M.R.Rg. V. V. Narasimhalu Naidu Garu, Assistant Commissioner, In charge of Revenue Settlement, Parlakimedi, No. 161/B, dated 3rd June 1897:—

As promised in the concluding portion of para 1 of my letter of the 29th April last, No. 127/B, I have the honor to submit herewith the statement taken from Syed Omar Sahib, the brother of Moideen Pateka Sahib, Duffadar of my office, before the District Munsiff at Ambasamudram. From his statement, it will be observed, that, at the time when his service

book was opened, he had with him his horoscope, and that in accordance thereto, his date of birth was entered in his service book, and that the horoscope was subsequently consumed, when his house took fire, and that he has with him no records, to prove the date of his birth.

2. The Duffadar of my office says that he knew nothing of the existence of a horoscope in the possession of his brother: Whether his statement is true or not, and whether his brother possessed any horoscope at all, could not be decided. As there is no evidence as to the correct date of birth, I beg to suggest that the Duffadar may be sent to the District Medical officer for examination as to age, and necessary orders passed thereafter.

Resolution.

Resolution.

The medical certificate must, however, be forwarded to this office in order that the applicant's case may be laid before Government for its orders, with reference to article 55(6) of the Civil Account Code, Vol. I.

the District Medical Officer, Trichinopoly, which states the probable age of Mohidin Patcha Sahib, Duffadar of my Office, to be 55.

2. His service book forwarded with Board's Proceedings No. 5092. mis, dated the 9th Instant is also returned herewith.

Resolution.

The correspondence read above will be submitted for the orders of Government.

2. Moideen Patcha Sahib, Duffadar in the Office of the Deputy Commissioner of Revenue Settlement, Party No. V, represented to the Assistant Commissioner in charge of the Party that, in his service Register, the date of his birth had been incorrectly entered as 17th May 1837, and requested that the entry be corrected so as to make it agree with the corresponding entry in the Service register

register of one Syed Omar, who, he said, was his 'twin brother', and was employed as a peon in the District Munsiff's Court at Ambasamudram.

3. Reference was made to the District Munsiff, and he reported that Syed Omar was a peon (process-server) in his Court, and forwarded (1) an extract from the peon's Service Register, which shewed that the date of his birth is entered as 5th April 1846, and (2) a statement taken from him in which he had deposed that he and Moideen Patcha Sahib are twins.

4. The Assistant Commissioner forwarded the correspondence to the Board, and requested sanction for correcting the entry of date of birth in his Duffadar's service register.

5. The Boa -- thereupon request

The

the Assistant Commissioner to ascertain from the Duffadar how he would explain the wrong entry in his service register. In a deposition taken before the Assistant Commissioner, the Duffadar says that when the register was prepared, he was asked for the date of his birth, that as he had no 'horoscope' or any other record of the date, he relied on information supplied by his maternal grandmother purely from her memory, and that on his reporting the date mentioned by her, the clerk who prepared the service register entered the corresponding English date.

6. A deposition has also been taken from Syed Omar in which he states that when his service register was prepared, he was able to give the date of his birth correctly as he had with him his horoscope, which, he says, was subsequently lost in a fire accident.

7. The Duffadar was sent before the District Medical and Sanitary officer at Trichinopoly, and that officer has certified under date the 16th July 1897, that the man then appeared to be 55 years of age.

8. In these circumstances, the Board considers that the statement of Syed Omar may be accepted, and accordingly requests, with reference to article 55 (6) of the Civil Account Code that sanction may be accorded for altering the date of birth in Moideen Dateka Sahib's service register from 17th May 1837 to 5th April 1846.
