Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 24th June 1898.

No. 3858 Misc.

READ the following letter from Mahomed Raja Khan Esqre, Acting Collector of Kurnool, Dis. No. 163 dated 16th June 1898:-

In continuation of my Disposal No. 129 dated 27th April 1898, I have the honor to state that of the 5 orphans referred to therein, individual No. 1 is reported to be living by begging; No. 2 and 5 left their villages about 6 months ago and their whereabouts are not known; No. 3 who was deserted by his mother during the famine is now being maintained by her and No. 4 is blind and lives by begging in the villages.

2. The above details would appear to show that the boys were not strictly

phans left on the hands of Government
 [Not resorted to the State works or Kitchens
 in common with other relief-suckers during
 the famine and left them in the ordinary
 course when they were closed. They were
 never taken charge of by any Government
 officer nor were steps taken to maintain
 them at Government expense or to see that
 they were provided with the means of
 living or so disposed of as to ensure
 their proper livelihood. It, therefore, seems
 to me that the Tahsildar was not correct
 in having reported in the first instance
 that these boys were orphans left on the
 hands of Government.

Resolution

Submitted to Government,
 in continuation of Board's Proceedings,
 No 3378 dated 30 May 1898.
