Simis Park & Government gardens Notification

Proposing for approval Additions to the Rules regulating the relation of Visitors to _____

The additions proposed by the Collector to the rules regulating the relations of the public to Simi's Park, Coonoor and Govt Garden, Ootacamund are approved.

25.6.98

Let
At the same time, it is not clear from the letter how the addition to the rule will facilitate the conviction of cases like the one mentioned by the Collector of Nilgiris

25/6

Sec. to Govt.

Agree with the Secs. that it is questionable whether the proposed rule will justify a prosecution for trespass in a criminal Ct. If the person carrying the bundle is warned off or refuses to go beyond the Park or garden it may be ordinarily where no trespass

warning is given, I doubt it. However the rule is a reasonable addition to the rules, and will justify a parkkeeper in turning a cooly with a load back

Attended to HK

The rule will no doubt have the desired effect without any prosecution.

Nilgiri Collector's Office,
Dated, 17 June 1898.

From

D. W. J. Cowie Esquire
ag Collector of
the Nilgiris,

To

The Secretary to Government,
Revenue, Department.
(Madras.)
Fort House Chto.

Sir,

Sometime ago a Cooly was prosecuted before the Sub Magistrate Coonoor for Criminal trespass as she was found carrying a bundle of grass through Sims Park Coonoor which is under the Superintendence of the Horticultural Government gardens. The Sub Magistrate acquitted the accused on the following grounds.

(a) She was not proved to have cut the grass within the Park or committed any illegal annoyance to anybody incharge of the Park

(b) It was not shown during the trial that the object of her entry into the Park

was to commit an offence

(C) There was no prohibition against an individual carrying any load through the Park.

The Acquittal was right under the circumstances.

2 The Lumbini Park & the Government Garden, Dehra Dun are, as the Government is aware, places intended for public recreation and pleasure. It appears desirable that, so far as the public is concerned they should not be available for purposes other than those mentioned above, and in view to effect this, I have the honor to propose after Consultation with the Executive that the following additions may be made to the rules relating to visitors to the Government gardens

as proposed in Government order No 223 Dated 30th March 1897).

(I) After condition 6 of the notice under Lumbini Park the following should be entered as Rule 7.

"Vehicles, Animals or persons carrying loads of grass, firewood or any article in the nature of Park produce, not obtained in the Park, are prohibited from entering, passing through, or out of the Park without the same unless permitted by the Officer in charge of the Park to do so."

The existing conditions now 7, 8 & 9 should be numbered as 8, 9 & 10.

II. After Rule 7 under Government Botanical garden Dehra Dun the following condition may be put in as No 8 — the existing Nos 8, 9 & 10 being altered into 9, 10, 11.

Vehicles, Animals or persons carrying loads of grass, firewood or any article

in the nature of garden produce, not obtained in the garden, are prohibited from entering, passing through or out of, the garden with the same unless permitted by the Officer in charge of the garden below.

I have the honor to be
Sir,
Your most obedient Servant.
