Collector of Anantapur

To

The Inam Commissioner

Madras.

Sir,

I have the honour to state that Government in its Proceed-ings No. 4446 dated 12 October 1892 com-municated with your endorse-ment, Dis. No. 911 dated 26 October 92 has sanctioned the entertain-ment of two clerks on Rs 20 each for 3 months in Gooty and Tadpatri Taluks for the revision of quitrent on Village Service Inams in Gooty and Tadpatri

Tal-

-luks. This work was taken on
-and during the current year in
G.O. -bruary in Tadpatri Taluk and
-April in Gooty Taluk. About
00 cases have already been done
in each of the Taluks and owing
9 to the novelty of the work pro-
-gress was slow in the beginning
and there was further no work
for sometime in Tadpatri
Taluk, owing to the delay in the
receipt of the remaining registers.
Now that all the registers have
been received, it is estimated
from the work turned out
already, that it would take
six months more to complete
the work. I have therefore the
honour

honour to request that you
will be good enough to address
the Government to sanction
the entertainment of the tem-
-porary establishment for
six months more in both
the Taluks. I have permitted
the Tahsildar to proceed with
the work in anticipation of
sanction and have directed
him to push on the work as
speedily as possible.

I have &c.

Submitted for the sanction of Government. The Establishment sanctioned in G. O. No. 4446 dated 26th October 1892 was not entertained till this year owing to the non-receipt of the Inam excess accounts from the Deputy Commissioner of Revenue Settlement and to the famine. The work was taken up in the course of the current year. The work already turned out appears to be unsatisfactory but the Collector states in explanation that it was due to the novelty of the work and the delay of about

about a week in the receipt of the
of this office. There are 1718 and
1441 cases of Inams in the two
Taluks of Gooty and Tadpatri
and after deducting about
100 cases already disposed of
in each of these Taluks there
remain about 1600 and 1300
cases to be disposed of in the
two Taluks. The Collector
estimates that it will take
six months more to finish
the work in the two Taluks

the retention of the Establish-

Submitted for the sanction of Government. The Establishment sanctioned in G. O. No. 4446 dated 26th October 1892 was not entertained till this year owing to the non-receipt of the Inam excess accounts from the Deputy Commissioner of Revenue Settlement and to the famine. The work was taken up in the course of the current year. The work already turned out appears to be unsatisfactory but the Collector states in explanation that it was due to the novelty of the work and the delay of about a week in the receipt of the registers of this office. The Collector estimates that it will take six months more to finish the work in the two Talukas and requests sanction for the retention of the Establishment already sanctioned for

for another period of six months.

The undersigned is of opinion that the progress already made is very slow and has requested the Collector to take steps towards a more speedy disposal of the work so that the whole work may be finished in three months more. Sanction is accordingly requested for the retention of the Establishment for three months more in each of the Taluks.

Should it turn out from actual experience that a further extention is really required a fresh application for the same will be made.

Madras 4th June 1898.

Ag. Inam Commissioner

To The Secretary to Govt. Revenue Department.

Read Reference from the Inam Commissioner Rc. 222 of 4th June, C. No. 4059 of 1898

Note.

The entertainment of a clerk on Rs 20 per mensem for 3 months in each of the taluks of Gooty & Dadpatri (Anantapur District) was sanctioned in 1892 for the revision of quit rents on the village service inams (Vide Rules under G.O. of 12 April '92 No 1977 & A
G.O. of 12 October '92 No 4446 Revn. B
The temporary establishment was however not entertained till this year owing to the non-receipt of the Inam Officers accounts from the Dy Commissioner of Revenue Settlement & to the famine.
The Collector states that the special work was taken on hand in February last in the Dadpatri taluk & in April last in the Gooty taluk, that 100 cases have been done in each of the taluks & that the progress made was slow in the beginning owing to the novelty of

work. He also stated that
there was no work for sometime
the Sadpatrie taluk owing to
the delay in the receipt of some
of the registers. All the registers
having now been received, the
Collector estimates that it
would take six months more
to complete the work and accordingly
requests sanction for the further
retention of the temporary establish-
ment for that period.

2 - The Inam Commissioner
is however of opinion that the
progress already made is very slow.
He has requested the Collector
to take steps towards a more
speedy disposal of the work so
that the whole work may be
done in three months more.
He recommends therefore the
retention of the establishment
for three months more in each
of the taluks and adds that if
a further retention is necessary
a fresh application will be made.
It would appear that the Collector
has permitted the Sadpatrie
to proceed with the work in

	Total No of Cases.	No of Cases Inc.

anticipation of sanction.

3. As a greater portion of the work
still remains to be done & as the
work must be completed, the
retention of the establishment
for a further period of three months
may be sanctioned as recommended
by the Inam Commissioner. It
may be pointed out that every
endeavour should be made to
complete the work within this
period & that no application for
further retention will be considered
favorably.

4. There is no provision in the Inam
Budget to meet the additional
cost Viz Rs 120. Vide fo. 985 of 24 Nov 98
The Financial Department may
probably be able to say how the
charge can be met.

C.R. 21/6/98 Regr

How appears to be
a provision of Rs 200?

MLL 25/6/98

The provision of Rs 200 is intended
to meet the cost of two clerks on Rs 20 each
for three months in the taluk offices

2 a clerk on Rs 20 p. m. for four months the Collector's office. Vide proposition statements sttached with fo. Nos 44446 & 12 October '92. The clerks having been entertained in July last in the Sadpatna taluk (the exact date not known) & in April last in the Trichy taluk (vide the Collectors letter dt 21 May '98) the provision in the budget for the current year on account of these clerks must have been almost exhausted. There is no information as to whether the clerk in the Collector's office has been entertained or not. As it is proposed to retain the clerks in the taluk offices for a further period of three months during the current year an addl allotment of about Rs 120 must be found for them.
