Copy of letter from R.H.Shipley Esq. Ag. Collector of Trin-  
chinopoly, dated 4th June 1898, No.1137 of 97-98.through the -  
Conservator of Forests, C.C.

I have the honour to enclose herein an office note  
sent by my District Forest Officer to the Conservator, C.C.,  
with reference to the Mettupalaiyam block in Perambalur Taluk  
notified under sections 4 and C of the Forest Act for settle-  
ment and the Conservator's reply thereto. The District Forest  
Officer proposed the rejection of the block on the ground that  
a large portion of the land was now under sivaigama cultivation  
and that the area left was divided consequently into two de-  
tached blocks and that the block as originally proposed had a  
very long boundary in proportion to its area.

2. A part of one of the detached portions consists of  
a large tank used for irrigation purposes.

3. Under the above circumstances I request that Govt.  
may be moved to cancel the Notification of the block under sec-  
tion 4. The land now under sivaigama is cultivated by a number  
of immigrants from Tinnevely.

READ Endorsement of J. O. Cherry Esquire, Conservator,  
S.C., dated 8 June 1898, No. 1852 on letter from  
R. H. Shipley Esquire, Ag. Collector of Trichinopoly,  
dated 4 June 1898, R.C. No. 1137.

Reference No. 266 dated 23.6.98.

Submitted to Government.

2. The proposed reservation of the Mettupalanjam block in the Trichinopoly District was approved in G.O. No. 594 Rev. dated 6 November 1896. The Collector now reports that it includes a considerable extent of lands which are either held on patta or have been under Siviripima cultivation for some years. The exclusion of the area and of the tank ordered to be thrown out in B.L. No. 366 dated 10 August 1896 will result in the division of the block into three detached portions, each considerably less than a square mile and at some distance apart from one another, for the reservation of which

which no convincing reasons are known to exist. The Collector accordingly requests that the preliminary notification of the block may be cancelled and the Board supports the Collector's proposal. A draft notification cancelling the initial notification of the block is submitted for the approval of Government.
