Sanctioning, with remarks, an additional allotment of Rs. 20,000 required by the Collector of Anantapur for advances under the — Act.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—again the following papers:—

G.O., No. 308, Financial, dated 24th March 1898.

Abstract.—Communicating, with remarks, to the Revenue and Local and Municipal Departments resolution of the Government of India reviewing the local loans estimates revised for 1897–98 and budget for 1898–99.

G.O., No. 423, Financial, dated 6th May 1898.

Abstract.—Recording Proceedings, Revenue Department, on Board's Proceedings distributing allotments under the Loans Act, 1898–99, and requesting the Accountant-General to insert the grants in the monthly returns of expenditure under Loans and Advances, Class I.

Read—also the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), Mis. No. 3198, dated 19th May 1898.

Read—the following papers:—

From the Collector of Anantapur, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 10th May 1898, Ref. on B. & G. No. 366.

With reference to Board's Proceedings, No. 145, dated 6th April 1898, I have the honour to state that only Rs. 8,000 and Rs. 1,000 have been sanctioned under the Land Improvement and Agriculturists' Loans Acts, respectively, for 1898–99 as per estimate submitted with this office Dis. No. 1600, dated 28th September 1897.

2. That estimate seems to have been based on the average of the advances made during the years 1894–95 and 1895–96.

3. Owing to the adverse state of the season, loans were advanced during 1896–97 and 1897–98 on a large scale both under ordinary and special well rules of the Land Improvement Loans Act, and second instalments of most of the cases, amounting to Rs. 30,000, were postponed, some for want of funds and others for not executing work to the value of the first instalments advanced.

4. The sum of Rs. 8,000 now sanctioned is quite inadequate to meet the requirements. I therefore request that an additional sum of Rs. 20,000 may be sanctioned under Land Improvement Loans Act for making advances as follows:—

	Rs.
For payment of second instalments	15,000
„ fresh advances	5,000
Total	20,000

5. The estimate of Tahsildars for fresh advances amounts to Rs. 33,600 for the current year 1898–99. Payment of second instalment for the completion of works partly carried out being, however, more necessary than the requirements for new undertakings, I consider that fresh advances may be sparingly granted and have accordingly applied for a sum of Rs. 5,000 for this purpose.

Telegram from the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, to the Collector of Madura, dated 14th May 1898.

Please wire whether you can surrender Rs. 20,000 or smaller amount from current year's grant, Land Improvement Loans. Amount wanted elsewhere.

Telegram from the Collector of Madura, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 17th May 1898.

Whole allotment for this district required, but being urgently required elsewhere, 20,000 will be surrendered.

Resolution—Mis. No. 3198, dated 19th May 1898.

The Collector's letter first read above will be submitted to Government, in continuation of Board's Proceedings, No. 145, dated 6th April 1898.

2. In the appendix to the Board's Proceedings quoted above, an allotment of Rs. 8,000 has been made for advances under the Land Improvement Loans Act in the Anantapur district. The Collector applies for an additional grant of Rs. 20,000 as shown in the margin. As the Collector of Madura is willing to surrender an equal amount from the budget provision for his district, the Board requests that the necessary re-appropriation may be sanctioned.

	Rs.
For payment of the second instalments of loans sanctioned in 1896–97 and 1897–98	15,000
For fresh advances	5,000

3. The pending instalments of the loans sanctioned in 1896–97 and 1897–98 should have been taken into account when the budget estimate was submitted by the Collector in September last.

No. 543, FINANCIAL, 15TH JUNE 1898.

ORDER—No. 543, Financial, dated 15th June 1898.

The following telegram will be despatched to the Board of Revenue (Revenue Settlement):—

"Board's Proceedings, 3198, May 19th. Additional allotment 20,000 for loans, Anantapur. sanctioned as proposed by re-appropriation from Madura."

2. The Board of Revenue is competent to sanction re-appropriations of this character, provided the total grant under class I is not, under any circumstances, exceeded. It will be sufficient if the Board in future reports such transfers for the information of Government.
