Submitting to Government proposals for the temporary income-tax establishments required for 1898–99.

PROCEEDINGS OF THE BOARD OF REVENUE

(SEPARATE REVENUE).

RESOLUTION—No. 115, dated 8th April 1898.

The Board begs to submit to Government its proposals for the temporary income-tax establishments required during the year 1898–99.

2. There is at present no such establishment in the four districts noted in the margin and the Collectors concerned ask for none.

Anantapur.	South Arcot.

3. The following statement shows the temporary establishments now entertained after excluding those recommended to be made permanent in Board's Proceedings, No. 108, dated 2nd April 1898, and those now proposed by Collectors: —

Board's office ..		

In column 2 of the above statement, the Collectors concerned recommend the continuance of the existing establishments. This may be sanctioned as well as the establishment in the Board's office. In column 3, the Collectors of Chingleput, Tanjore, Madura and Tinnevelly make the following proposals.

4. The Collector of Chingleput requests that sanction may be accorded for the entertainment of a clerk on Rs. 25 for two months in his office for checking the annual returns and compiling the consolidated report on the ground that the full time of one clerk cannot be spared for it from the general establishment. A clerk on Rs. 25 is entertained for two months in the year for a similar purpose in the Collectors' offices, Ganjám, Bellary, Coimbatore and Salem. This proposal may be sanctioned.

5. The Collector of Tanjore applies for two clerks on Rs. 15 each throughout the year for the Tanjore and Máyavaram taluks on account of income-tax work. It will be observed from the statement given below that the number of assessees and the final demand in the Máyavaram and Tanjore taluks are considerable. In Kumbakónam and Negapatam clerks on Rs. 15 have already been provided :—

	Number of assessees.	Final demand.
		RS.
Kumbakónam	1,079	27,577

Máyavaram	565	14,050
Tanjore	513	13,794

0/9 3,000—5-8-98.

The Board recommends that the clerks may be sanctioned for six months.

6. The Collector of Madura recommends the entertainment of two clerks on Rs. 15 each throughout the year—one for the Sub-Collector's office and the other for the Deputy Tahsildar's office, Tiruppattúr—on the ground that it is found difficult to arrange for the work being done by the general establishment in the former case and that the work in the latter is exceptionally heavy. The Board does not understand that the Sub-Collector's office is particularly hard-worked and a clerk for the Deputy Tahsildar's office has been recommended in the proposals for permanent establishment; and does not support these recommendations.

7. The Collector of Tinnevelly applies for two clerks for six months on Rs. 15 each for the Sattúr and Ottappidáram taluks on the ground that it is not possible to get through the work by the regular establishment. The number of assessees and the final demand for three years are given below :—

1896–97	599	9,033	641	8,438

The work is developing and income evidently on the increase and these proposals may be sanctioned.

8. A proposition statement embodying the above proposals is submitted. The Board requests that early orders may be passed.

9. The remuneration of 2 per cent. on the income-tax collections granted to the village officers in the municipal town of Gudiyáttam and that of ½ per cent. on collections (up to a limit of Rs. 150 a year) allowed to the Village Munsifs of Negapatam and Dévakóttai under G.Os., Mis. No. 452, dated 1st February 1896, and No. 5073, dated 16th December 1895, may be continued for 1898–99.

10. A sum of Rs. 794 has been included in the budget for 1898–99 on account of temporary establishment. The extra cost of the temporary establishment now recommended amounts to Rs. 410 and may be met from savings under total assessed taxes—income-tax.
