## Resolution XV.

"That this Conference while concurring with the previous Conferences in the view that a permanent Settlement of the land Revenue is the only proper measure of justice that could be accorded to this Country in the interests both of the people and of the Government, deeply regrets the change of policy indicated by the despatch of the Right Honorable the Secretary of State for India dated 8th January 1885 and respectfully urges upon the Government the desirability of the granting of at least the modified form of permanent Settlement referred to in Resolution 12 passed at the 5th Madras Conference and further this Conference authorises the District Administrators to submit to the Government their criticism on the <sup>IX</sup> ~~Scholar~~ Reports of the Re-Settlement operations in the District."
