Read the following letter from J.N.Atkinson Esquire., I.C.S., Superintendent of Stamps, Madras, No.1501, dated 8th June 1918:-

" With reference to the extract from the Bimonthly return of Stores from the Director General of Stores for India to 31st March 1918 received with the Proceedings of the Board of Revenue, Separate Revenue, Section No.1003, dated 18th June 1918, I have the honour to state that the quantity of half-anna envelopes noticed from Ireland per S.S. "Ikaria" in February last is stated to have been 9832 - vide Madras bag quantity received by me was only 5832 - which corresponds with the figure entered in the Invoice received from Ireland. I therefore request that you will be good enough to let me know the reason of the difference."

Submitted to Government with the request that the Director General of Stores may be addressed with reference to the discrepancy brought to notice by the Superintendent of Stamps.

Sir,

Eg. 1297
14-3-98.

In your bimonthly re-
turn of Stores up to 31-1-98
it is stated that 8832
reams of half anna
postage envelopes were shipped
per S.S. Mantua. And this statement
is repeated in the returns up to 31-3-98. The
Supdt of Stamps, Madras
however reports that
only 6912 reams were
received and
that this latter figure
corresponds with the
figure entered in the
invoice received from

England. I am accordingly to request that you will be so good as to inform ~~the~~ me ~~perhaps needless~~ of the reason of the discrepancy.
