# PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers:—

Proceedings of the Board of Revenue (Separate Revenue) Ref.No.191 dated 11th May 1898:-

Read endorsement of the Deputy Commissioner, Central Division No.1880,dated 22nd April 1898, on ~~endorsement~~ that of the Assistant Commissioner,Cuddalore sub division No.1188, dated 19th April 1898,submitting in original Mr.D.G.Viviani's memorial to His Excellency the Governor in Council in regard to the Exchange Compensation Allowance drawn by him.

Reference No.191,dated 11th May 1898.

Submitted to Government in original through the Accountant-General,Madras.

2. It was laid down in rule XIII of the rules regarding Exchange Compensation Allowance which were communicated with Government Order No.491,Financial, dated 24th June 1897, that officers to whom the allowance " would not be admissible under the new rules but who had been admitted to it under the rule previously in force would continue to draw it to the extent of the salaries they were drawing on the 1st April 1897; but that any increase in their salary after that date would be taken in reduction and ultimately in extinction of the claim to the allowance. It was originally intended that this rule should not be brought into force until lists of offices in which European qualifications are held to be

indispensable

cand of services + depts in which a proportion of Europeans is held to be indispensable

indispensable had been considered and decided upon. But in para. 2 of Government of India Resolution No.4217,Ex,dated 21st September 1897, communicated with Government Order No.809, Financial,dated 30th September 1897. it was directed that the above said rule be brought into force at once in the case of officers who were appointed in India and whose salary was less than Rs.400 a month, in as much as they as a general rule would not fulfil the conditions required to entitle them to the allowance but that no recovery need be made of the allowance drawn for August 1897 or earlier months. In accordance with this ruling the Accountant-General had disallowed the Exchange Compensation allowance drawn by Mr.Viviani from the 1st September 1897 as shown in the margin as he was promoted from the post of Assistant Inspector 1st grade to that of Inspector 4th grade with effect from 1st April 1897 and as the allowance drawn by him was less than the increase to his pay,Mr.Viviani now memorialises for permission either to retain the amount disallowed by the Accountant-General or to refund it in instalments of Rs.10 each. In its Proceedings Mis.No.4020, dated 14th September 1897,the Board submitted to Government proposals regarding the entertainment of a fixed proportion of Europeans in the Salt,Abkari and Customs Department. They were transferred to the Financial Department with Government Order Mis.No.6505,Revenue,dated 18th December 1897 and final orders have not yet been received by the Board.

Forwarded.

Under Article 279 (a) of Civil Account Code sanction of the Government of India will be necessary for any remission of the disallowance ordered. If it is decided that the amount should be recovered,Government can if it thinks fit direct the Officer to refund the sum in instalments of Rs.10 as requested by him. It is however submitted this will keep the item out... outstanding

outstanding in the books of the Office for more than a year. Mr.Viviani has not refunded any portion of the amount during the last 3 months though his attention has twice been called to the subject through the Board of Revenue. This Office finds great difficulty in enforcing disallowances in the case of salt officers in charge of factory circles as they are their own Treasury Officers and correspondence with them is usually undertaken through the Board of Revenue who exercise a preliminary audit on all bills of the Salt Department.

---

Order No.569,dated 30th June 1898.

The amount overdrawn by Mr.Viviani will be recovered in monthly instalments of Rs.13 (thirteen) commencing from the 1st July 1898. The recoveries will thus be completed before the end of the current official year.

2. The attention of the Revenue Department will be drawn to the complaint made by the Accountant-General as regards the difficulties experienced in enforcing disallowances in the case of Salt Officer's in charge of factory circles.

PETITION

REVENUE DEPT DUPLICATE.

SECRETARIAT
1ST APR. 1898
GOVERNMENT OF MADRAS

HIS EXCELLENCY THE RIGHT HON'BLE,
SIR ARTHUR ELIBANK HAVELOCK,
G.C.M.G., G.C.I.E.,
*Governor-in-Council,*
*Fort St. George.*
MADRAS.

The humble petition of Mr. D. G. Viviani, Inspector, 4th Grade Salt Abkari and Customs Department, Cuddalore Circle, South Arcot District.

SHOWETH,

That your humble petitioner was in receipt of the Exchange Compensation Allowance since the passing of the rule regulating its grant upto January 1898. On the 5th February 1898, petitioner received, through the Board of Revenue, Separate Revenue, Accountant General's objection statement No. $\frac{\text{A. B. K.}}{161}$ dated 18th December 1897 in which that officer ordered the recovery from him of Rs. 24-9-9 drawn as Exchange Compensation Allowance for September 1897, and the stoppage of the payment of the same in future. In its endorsement thereon dated 3rd February 1898, the Board of Revenue, Separate Revenue, gave retrospective effect to the order and directed the refund of the whole amount of the allowance drawn by petitioner since 1st April 1897 on the ground that it was absorbed in the increase of his salary consequent upon his promotion from Assistant Inspector First Grade to the present rank held by him—Inspector 4th Grade—with effect from that date.

2. Thereupon your humble petitioner addressed the Board in his letter No. 332 dated 9th February last (copy enclosed—Exhibit A.) and represented the hardship and inconvenience he was put to, enclosing, in original, the Accountant General's objection slip (not yet returned to petitioner) referred to in the foregoing paragraph and solicited the favor of sanction to hold the order in abeyance till further instructions referred to in last sentence of the Board's endorsement dated 3rd February last—vide para 1 supra—were received or to refund the sum under objection in small instalments.

SECRETARIAT
19 APR 1898
REVENUE DEPT

3. In reply your humble petitioner has been favoured with the Resolution of the Board of Revenue, Separate Revenue, No. 477, Routine, dated 25th February 1898 (copy enclosed—Exhibit B) which embodies the Accountant General's letter No. $\frac{\text{I. A. C. M.}}{109}$ dated the 22nd idem. The Board therein directs that "the amount of Exchange Compensation Allowance drawn from September 1897 to January 1898 should be refunded in three instalments&c."

4. From his small salary of Rs. 250 a month he pays incometax, and profession tax and maintains a large family and a necessary establishment of servants. Thus he is already hard pressed by insufficient means and scarcely able to make both ends meet.

5. Such being the fact, the petitioner submits that the present order requiring him to refund in three instalments the whole amount of the allowance drawn by him in past months operates very hard on him. For at the time he drew it, your humble petitioner had not the slightest apprehension that such a contingency would happen and, having lived up to ~~the~~ his means, is ill prepared to meet the same now.

6. In these circumstances your humble petitioner prays that Your Excellency will be pleased to take the facts set forth above into your benign consideration and grant him a remission of the allowances drawn upto January 1898. Should, however, your Excellency not see your way clear to granting it, your humble petitioner prays that he may be permitted to refund the same in small instalments of Rs. 10 a month.

For which act of kindness your humble petitioner shall, as in duty bound, be ever indebted to Your Excellency.
