Sir,

I have the honour to forward herewith an application from Mr. T. G. Turner — Plague Sub-Magistrate at Guntakal — requesting that some allowance may be granted to him to meet the house rent which he has to pay.

The Deputy Collector Gooty supports Mr. Turner and recommends a monthly allowance of Rs 10. Guntakal is an important Railway Junction but beyond the Railway buildings has comparatively few houses.

houses. Several of the officials do live in Timmancherla which is about 1½ miles of the place. Mr. Turner could not however be allowed to live in ~ Timmencherla as he has to attend all the trains and also as the plague sheds are in Guntakal near the Railway station. His duties are special and his presence on the spot is necessary. Living in Guntakal is also expensive. The Medical subordinates on plague duty are all given some extra allowance. I think that in fairness the special sub-magistrate should be provided with accommodation at the cost of Government.

Under these circumstances I recommend that an allowance ~~of~~ for of Rs 10 per month may be given to him by way of house rent as recommended by the Deputy Collector.

I have the honourable

Secretary

The Special Sub-Magistrate, Mr. Turner, on plague duty at Cuttack junction applies for a small allowance in the shape of house-rent, the house accommodation at the junction being very poor. He adds that the medical staff are in receipt of special allowances for being on plague duty. The Dy Collector suggests that if the Govt be pleased to sanction the payment of house rent to him, he may be ~~reimbursed~~ reimbursed the house rent actually paid by him subject to the limit of Rs 10 per mensem. The Collector of Avantapur reports that there are comparatively few houses at the Cuttack junction and that several of the officials live in Jimmarcherla about 1½ miles from the place but that as Mr Turner has to attend all the tra-

trains, his presence on the spot is necessary. The Collector therefore recommends that an allowance of Rs 10 per mensem may be given to him by way of house rent. The Board considers the Collector's recommendation to be reasonable and the Accountant General states that the allowance may, if Government deem fit, be sanctioned under article 187 of the C. S. R. ie as a local allowance. It is submitted that in the circumstances stated a local allowance of Rs 10 per mensem may be sanctioned for the special Sub-magistrate.

Note. With reference to an application for Rent from Mr Turner a Sanyasi in Kalyandrug at present in accordance with the Hon'ble Mr Grose's remarks, the Collector of Anantapur was requested to report "what accommodation Mr "Turner has now, what he pays for "it and what accommodation he "could get for the sum of Rs 10 a "month." It appears from the reply received that Mr Turner has been transferred to Tungabadra and that while he was on plague duty at Gunlakal junction he occupied, free of rent, a house with a guard of the S. M. Ry for 13 months. Mr Turner requests that a sum of Rs 65 may be sanctioned for payment to the Guard at Rs 5 a month. Information has not been furnished as to what

accommodation he would get extra Rs 10 a month, probably because he does not now claim an allowance of Rs 10 a month for the period of his stay at Cuttack. It is to be noted that Mr Turner is drawing Rs 100 per mensem (vide Cal 1095 dt 24-2-97) which is the minimum pay of Sub-Magistrates vide para 3 of the Rules in page 64 of Cal 662 dt 27-6-92 and no further increment is admissible.

2. The Hon Sir Henry Bliss — Bo remarked "Another point is what pay does he get? If he gets a special and enhanced rate of pay for this duty, why should he get house rent also?" It is now submitted that the pay of Mr Turner is Rs 100 per mensem (vide Cal 1095 dt 24-2-97) which is the minimum pay of Sub-Magistrates vide para 3 of the Rules in page 64 of Cal 662 dt 27-6-92 and no further increment is admissible.
