PRIVATE SECRETARY TO THE GOVERNOR · MADRAS ·

GOVERNMENT HOUSE.

11th July 1898.

My dear Forbes,

The very first file dealing with the Govt of India's telegram asking for the speedy submission of our review of the Famine Conference Report, went back to you, I think, tied on to the bottom of the big file dealing with the merely historical part of the report. Will you have a look to see if it was there? I linked the two files together when sending them in to His Excellency, & His Excellency says he has not got it now. So, I imagine, the

Desiring to know whether or not Madras Govt. will make proposals for revision of Famine Code or recommendations on Mr. Higham's report.

For Orders.

The Indian Famine Commission say that they have received (1) copies of Report of the Famine Conferences held at Madras and at Wallair (2) the Famine Commissioner's final famine report; but no impression of the views of the Madras Govt. the Commission breaks up by the middle of July and the President desires to know whether or not the Madras Govt will make proposals for the revision of the Famine Code or recommendations on Mr. Higham's report before then.

In Fo. No 887 of 21-2-98 is redd letter of the Govt of India of 12th Feby. saying that local Govts can defer submitting their proposals till the recommendations of the Famine Comn have been received by the Govt of India & circulated.

Fo. No. 2483 is letter from Govt of India No 6/11 of 24-3-98 modifying the former letter & desiring that proposals & ~~reference~~ recommendations re Mr Higham's suggestions & the amendment of the Famine Codes should be formulated & sent up by the 1st June. "These proposals with the G.I. trust convey the deliberate & complete judgment of the L.G. upon the various points now under its consideration & in regard to the } penultimate sentence of letter
motion of the Provincial Famine Code."

A reply should be sent to the present telegram that with ref. to the penultimate sentence of G. I. letter of 24-3-98 it is impossible that the conclusions of this Govt can reach the Indian Famine Commission by ~~the~~ middle of July.

The Hon'ble Stokes's note is dated 11th June; the subject is new to me, and until three hours per diem cease to be taken up by the Select Committee on the M. Tenancy Bill I cannot possibly go into the subject: it is better to send no conclusions at all than conclusions hastily arrived at without proper consideration. 8.2.98
