Endorsement of the Revenue Department, Mis. No. 1977 dated 6th May 1898 on Proceedings of the Board of Revenue (Land Revenue), Madras Ref. No. 476, dated 26th April 1898 submitting to Government, with remarks, report from the Collector and District Magistrate of Tanjore on the conduct of M. R. Ry. D. Samidoss Pillai, Deputy Tahsildar and Second Class Magistrate of Arantanghi, Pattukottai Taluk.

Order, No. 1010, dated 30th June 1898.

The foregoing papers relate to the mismanagement of his magisterial work by M. R. Ry. D. Samidoss Pillai, Deputy Tahsildar and Sub-Magistrate in the Tanjore District. The notes of the District Magistrate and the Divisional Magistrate's report exhibit one continuous record of incompetence, carelessness and neglect, and leave no room for doubt as to the unfitness of the Deputy Tahsildar to exercise magisterial powers of which both the District Magistrate and the Board of Revenue are convinced. On a careful examination of the papers placed before him, however, His Excellency the Governor in Council finds that the Deputy Tahsildar's conduct has laid him open to a far more serious charge than that of incompetence or neglect. The careful investigation made by the District Officers of the records in Calendar Case Nos. 360, 366, 374 and 450 of 1897 on the file of the Arantanghi Court

has

has established the fact, ^{that} in these cases the Sub-Magistrate was guilty of a wilful misapplication of his magisterial powers, which can only be attributed to one of two motives- dishonesty or malice. Either of these alternatives, ~~ere~~ coupled with the long continued and disgraceful neglect which has been proved, renders the Sub-Magistrate's retention in Government employ impossible, and His Excellency the Governor in Council accordingly directs his removal from the public service.

2. The attention of the District Magistrate will be drawn to the remark of the Board of Revenue that the ~~fact~~ facts now brought to light show that the supervision of the Sub-Magistrate's work during the two years that he was in charge of the Arantangi Division was lax. The absence of judgments in so many cases should have been discovered at the half-yearly inspection of the ^{office} by the Divisional Officer, while the omission to submit calendar statements and to return those received back with remarks, shows that the check exercised in this matter in the offices of Divisional and District Magistrates is very imperfect.
