A In the G.O. quoted, the Govt approved of the proposals contained in the Deputy Adjutant General's letter no 6034 dated 14.4.96. regarding the number of mules & attendants (punishment) & the scale thereof & also furnished the information asked for by him, regarding the number of Shows & the period for which the annuals will be required. From para

of the Dy. Adjutant Generals' letter it was understood that an estimate of the cost likely to be incurred would be submitted to Govt on receipt of the information ~~asked for~~ from hence. It was however stated in that letter that it was 'surmised' that the cost would be met by Govt and now ~~the~~ from the Telephonic Message received from the D.A.G. it would appear that the Lieutenant General commanding the forces wishes to make sure that the ~~Govt~~ expenses ~~of~~ involved in the scheme will be borne by this Govt.

Her orders as to whether the D.A.G may be told in reply that the presumption of the Lieutenant General Commanding is correct.

I submit this may be done at once or should we first ask what the cost will be?

Mr 7/6/98

Of course the cost will be Govt.. Mr Mowbray's proposal that two mules and he wondered about what two donkey stallions was two costly; but as little is known about mules up-country, that it will do good if they are seen at the Shows.

JG 6/6/98

I should like to know what the cost will be & from what source it is to be found & must ~~be~~ say that this first will bear the Govt to, before I say that this first will bear the Govt to, before I say that this first will bear the Govt to, before I

To Under Secy :-

Please see the reply telephonic message from the Dy Adjutant General put up below. He states that the cost likely to be incurred by sending mules and attendants to the pony show at Bériki near Hoorn in January 1899 cannot be less than Rs 5 provided there is no necessity for hiring carriage and that for the show at Tiompan cannot be less than Rs 2 under the same conditions.

2. It will be seen from the Boards Progs under G.O. No 2324 Dy 1.6.98 that the show at Tiompan was to have come off on the 6th ultimo (June) and it is presumed that the Military Dept. did not send any mules for it, pending decision of the question as to which dept. should bear the additional cost.

3. The additional cost estimated by the D.A.G can be met from Budget provision. For orders as to whether he may be informed
