Resolution

Communicated to the Collector of Nellore.

2. With reference to the surmise of Government that plot I is within half a mile of the block marked "A" the Board understands that the plan does not show distances between places on different sides of the black lines and that plans of different places are shown in one sheet for convenience of reference. This view is confirmed by the omission of any mention of block "A"in column 7 of the Collector's statement against the 2nd applicant D.Narasa Reddi.The Collector is requested to state whether the Board's presumption is correct.

In regard to the suggestion of Government that a portion of the triangular piece of land jutting outside block I should be excluded from block II,the Board observes that the Collector has proposed to exclude the triangular piece from plot I and that therefore there is no necessity to revise the boundaries of plot II.
