RESOLUTION.

Simla, the 5th July 1898.

READ—

Resolutions in the Finance and Commerce Department, Nos. 2881-P. and 4653-P., dated 1st July and 30th October 1896, respectively, regarding the institution of a Provident Fund for officers of the Forest Department and for officers on the graded list of the Geological Survey Department.

Letter in the Department of Revenue and Agriculture, No. $\frac{172}{57-4}$-F., dated 15th June 1898, approving certain amendments of the rules relating to the Forest Officers' Provident Fund.

RESOLUTION.—The Governor General in Council is pleased to direct that the following additions be made to the rules relating to the Forest Officers' Provident Fund, which were published with the Resolution of 1st July 1896, read in the preamble :—

After the word "month" in clause (1), Rule II, insert a new sentence :—

"Arrear subscriptions of voluntary deposits are never allowed. Arrear subscriptions are permissible in the case of compulsory deposits, and their recovery will be enforced even though it may result in a recovery in excess of the limit of 10 per cent. of the salary from which it is actually made."

After Rule XI insert as a new rule :—

"XI-A. As exceptions to the rule, that subscriptions realized by deduction from pay bills are to be considered, for the purpose of calculating interest, as paid into the fund on the first of the month succeeding that for which the salaries from which the deductions are made are due,—

(1) Deductions made from salaries paid in advance, owing to transfer or long leave out of India, are to be considered, in the case of the former as having been made on the date on which an officer is relieved of his duties, and in the case of the latter as having been made on the date on which the account office pays up an officer prior to embarkation;

(2) Deductions from salaries paid in arrears in consequence of promotion given with retrospective effect should be considered as having been made on the first of the month in which the arrears are drawn.

"In the case of reversions made with retrospective effect, the writeback of the amount originally recovered in conformity with the rules should be considered as having been made on the first of the month in which the recovery is effected."

ORDER.—Ordered that copy of this Resolution be forwarded to the Department of Revenue and Agriculture; to all Local Governments and Administrations; and to all Accountants General and Comptrollers for information.
