The notification under section 4 was approved in G. O. 269, d/ 27-4-97. (Please see page 7 of the order).

In the sketch map the area of the reserve is given as 350 acres; this is apparently a mistake for 320 acres given both in the area statement and in para 3 of the B.P.

3. The area of the extension is only 320 acres but the main blocks comprises 3360 acres and was finally notified in G.O. 118, d/ 2-2-98.

(LAND REVENUE).

READ—the following letter from E. SCOTT, Esq., Acting Collector of Nellore, to the Secretary to the Commissioners of Land Revenue, Madras, (through the Conservator of Forests, Central Circle), dated 8th January 1898, No. 1208-For. :—

In forwarding a copy of the Forest Settlement-officer's letter, No. 227, dated 14th December 1897, reporting the completion of the settlement of the Cherlopalli extension block, I have the honour to request that Government may be moved to publish the draft notification under section 16 of the Forest Act in the *Fort St. George Gazette*.

2. The date from which the reservation should take effect has to be inserted in the notification.

3. Draft notification, claim register, sketch-map, area statement and numerical statement of claims are enclosed.

ENCLOSURE No. 1.

From E. A. SMITH, Esq., Special Deputy Collector on Forest Settlement Duty, Nellore, &c., Districts, to the Collector of Nellore (through the District Forest-officer, Nellore), dated 14th December 1897, Ref. No. 227.

I have the honour to report the conclusion of the settlement of the proposed Cherlopalli extension reserve in the Rapur taluk of your district.

2. The initial notification proposing to constitute this area into a reserved forest under section 4 of the Madras Forest Act appeared at pages 554—556 of the *Fort St. George Gazette*, dated 4th May 1897, and proclamation under section 6 of the Act was published in the District Gazette of 3rd July 1897. The time allowed for the presentation of claims expired on the 3rd October 1897.

3. The block was inspected, perambulated and enquired into by me in November 1897, and four claims were preferred for the following rights :—

(i) One petition from the ryots of Cherlopalli requesting to exclude the whole reserve.
(ii) Three claims to rights of way.

The petition presented by the ryots of Cherlopalli requesting to exclude the whole of the reserve involved in item No. 1 was rejected, as the petitioners do not possess, neither do they annually. Moreover, according to the area statement furnished by the Tahsildar, there are 840·86 acres of waste exclusive of porambokes outside the reserve against 711·59 acres under holding including inams. The waste outside the reserve is sufficient for purposes of the free grazing, &c. The three claims to the rights of way involved in item No. 2 were admitted.

4. The reserve is thus free except the rights of way stated above.

5. The following are submitted herewith :—

(i) A signed copy of the B. register of claims.
(ii) The draft notification under section 16.
(iii) The sketch-map of the reserve.
(iv) The numerical statement of claims filed and disposed of.

6. The date from which reservation is to take effect has to be inserted in the draft notification.
