Sir,

Ref 540

In Government Order No 1198 Rev. dated 9th March 1898, Government ordered the retirement of Duwan Bahadur A. Pinto, General Duty Deputy Collector of this district with effect from 1st April 1898. The Government Order was communicated to him and arrangements were made to relieve him with effect from the aforesaid date. On the 31st March, however, a telegram was received from Government, sanctioning Mr Pinto's retention for 6 months as Special Deputy collector for the acquisition of land for the Calicut - Cannanore Railway. On this telegram being communicated to Mr Pinto, he represented (vide his letter dated 1st April 1898 copy enclosed) that he

he may be permitted to retire as he could not do the special duty with satisfaction to himself. In its telegram, dated 2nd April 1898, Government granted him permission to retire (vide Government Order No. 1628 Rev. dated 7th April 1898). This telegram was communicated to Mr. Pinto on the 21st idem and he handed over charge of his office on the afternoon of the 5th idem. His retirement from service took effect therefore from 6th April 1898. The Accountant-General in his letter No. 1649 dated 27th April 1898 (copy enclosed) requests that the sanction of Government may be obtained for Mr. Pinto's retention in service up to 5th April 1898. I have the honor therefore to request that Government may be pleased to sanction Mr. Pinto's retention in service for 5 days from 1st to 5th April 1898.

From the

not clear whether
any, & if so what, action
was taken on the telegram
sent to the Collector
on the 1st April last
granting Mr Pinto
permission to retire.
It further appears that
two days delay was
allowed to occur
in communicating to
Mr Pinto the telegram
of the 2nd inst.

Note

Mr Aylmer, the Asst
Collector of South Canara reports
that Mr A. Pinto, who was in
March last ordered to be retired
from the 1st April following but
the question of whose further
retention in the service was
subsequently under correspondence
handed over charge of his office
on the afternoon of the 5th April,
the final orders of Govt embodied
in its telegram of the 2nd idem
having been communicated to
him only on the 6th. Mr Aylmer
therefore recommends that Mr
Pinto's retention in the service
until the 5th of April last may
be sanctioned. The Board of Rev.
supports this recommendation
2 Mr F.D. Bird,
Mr Pinto's successor, actually
joined his appointment only on
the 6th of April. There is, it is
submitted, therefore no account

objection to the Collector's recom-
mendation being accepted.

It may however be mentioned
here that a telegram sent by
Gout to the Collector on the 31st
March 1898, regarding Mr Pinto's
retention, and was communi-
cated to the latter on the same
day and was received by him
either on that very day or the next
and that in addition to the
message of the 2nd April quoted
by the Collector another urgent
telegram was sent by Gout on
the 1st of April permitting Mr
Pinto to retire. No reference is
made in the Collector's present
letter to the message of the 1st
nor does it furnish any explana-
tion for the delay in communi-
cating to Mr Pinto the message
of the 2nd. ~~At least one telegram~~
~~was sent on the 1st of April~~
Orders are solicited whether in
sanctioning the Collector's proposal
information on the two points
last referred to should be called for.

The reply received
from the Collector of South Canara
to the reference above mentioned
is submitted herewith.

It appears therefrom
that the telegram of the 1st April was
actually communicated to Mr Pinto
but that he was asked to await the
reply from Gout to the telegram of
the 2nd setting forth the reasons for
Mr Pinto's retirement that this reply
was received only after 6.33 P.M. on
Saturday the 2nd and that the
3rd being Sunday it could be com-
municated to Mr Pinto only on the

2nd. This explanation may perhaps be considered to be not very satisfactory and it would also appear therefrom that Mr Pinto could have retired on the forenoon of 4th April instead of on the afternoon of the 5th i.e. with effect from the 6th. As already pointed out, however, Mr Bird joined his appointment only on the 6th and there is therefore no account objection to passing the necessary allowance to Mr Pinto for the five days in April.

Orders are solicited.

DM

See

The telegram from East of the 2nd April might & should of course have been commd to Mr Pinto the same night. But it was not commd till the 4th ^{April} morning. Mr Pinto did not vacate office till the afternoon of the fifth April. Why it is not explained.

There seems to be no reason why Mr Pinto should not be deemed to have vacated office on the forenoon of the 4th. But the

allowances are available up to & including the 5th & presumably Mr Pinto did his work on the 4th or 5th.

 The explanation of the
 delay in giving effect to the
 orders of the Govt is not satis-
 factory. The telegram from the Govt
 of the 2nd April reached the
 Collectr the same day &
 should have been given effect
 to forthwith. As, however, Mr
 Pinto continued in office till the
 5th April the pay of the asst
 is available to that date, the Govt
 sanctions his retention in
 the service till the afternoon
 of the 5th April.
